GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following letter from Colonel T. E. TENNANT, Inspector-General of Jails, to the Chief Engineer, Public Works Department, dated Ootacamund, 17th August 1883, No. 217:—

In Public Works Proceedings, No. 1440 W., of the 18th May 1883, it was directed that the Executive Engineer should pay the Jail Department 3 annas 9 pies a day for the convicts employed by the Department of Public Works at Ootacamund.

2. This estimate was framed on the assumption that the cost would be—

	RS.	A.	P.
In the Judicial Department	3,125	1	8
In the Police Department	1,590	0	0
Total	4,715	1	8

3. The Police Department has sent to the Executive Engineer a further demand of Rs. 34 a month as house-rent for seventeen additional Constables. This amount appears to have been omitted from the estimate of the extra cost of guarding submitted by the Inspector-General of Police.

4. The Executive Engineer, whose letter* is forwarded for information, is of

opinion that the charge ought to be met by the Jail Department, and that the sum of Rs. 34 per mensem, or Rs. 408 per annum, must be deducted from the amount to be received by this department. I have the honor to request I may be informed whether it is the wish of Government that the Jail Department shall adjust this charge in the manner indicated by the Executive Engineer.

5. I wish respectfully to point out that the Public Works Department pay only 3 annas 9 pies a day for the actual number of prisoners (80) employed, whereas the Jail Department, to supply the demands of the Public Works gangs, must maintain at least 100 prisoners at Ootacamund to meet casualties from sickness and to provide cooks and prisoners for the other menial services of the jail.

ENCLOSURE.

From J. C. LARMINIE, Esq., Executive Engineer, Nilgiri Division, to the Inspector-General of Jails, dated Ootacamund, 15th August 1883, No. 474.

In reply to your letter No. 3657 of 8th instant, I have the honor to state that, if so required,

* See statement signed by the Inspector-General of Police of the comparative cost of guarding convicts at Ootacamund and at Coimbatore printed with this Government Order.

any charges made by the Police Department will be accepted and adjusted, but such charges must be deducted from the total credits to be made to the Jail Department, as, under G.O. in question (No. 1440 W., of 18th May 1883),

the charge of 3 annas and 9 pies per day per convict is clearly meant to cover all charges.

21st AUGUST 1883, No. 2353 W., PUBLIC WORKS.

ORDER—dated 21st August 1883, No. 2353 W., Public Works.

The additional charge of Rs. 34 per mensem will be admitted by the Public Works Department under the circumstances explained by the Inspector-General of Jails.
