No. 235 M.D.

Note by the Superintending Engineer, Sixth Circle, on the revised estimate for survey and trial-boring operations across Island of Ramesvaram, in Madura District, estimate Rs. 1,495.

In G.O., No. 186 W., dated 23rd January 1882, an estimate for Rs. 800 was sanctioned for this work, but the Examiner of Public Works Accounts requested

1 Abstract Estimate. the Executive Engineer to pay to Mr.
1 Comparative Statement.

Baker, Port Officer, Pamban, Rs. 875, being the amount of the honorarium granted to that officer in G.O., No. 1094 W., dated 12th April 1883, and to charge it to the work. The original estimate is therefore exceeded; hence the necessity for the revised one.

2. The sum of Rs. 180 allowed for contingencies in the original estimate is not required, which if deducted from the amount of the honorarium the net excess over the sanctioned estimate is Rs. 695.

3. The undersigned recommends that the revised estimate may be sanctioned and allotment of funds made.

ORDER—dated 22nd August 1883, No. 2365 W., Public Works.

The work having been completed, it is now unnecessary to sanction the estimate submitted by the Superintending Engineer, Fourth Circle, but the Examiner, Public Works Accounts, is authorised to accept the expenditure incurred, on the boring operations across the Island of Ramesvaram, amounting to Rs. 1,495.

2. An appropriation of Rs. 875 is made from the funds at the disposal of Government, under Provincial, to cover the expenditure incurred on the work during the current official year.

READ—the following papers:—

From J. H. TAYLOR, Esq., Lieut., R.N.R., Master Attendant, Administrative Department, to the Secretary to Government, Public Works Department, dated Madras, 26th September 1882, No. 8273.

In your No. 264, dated 11th July 1881, I am directed to state what remuneration I would propose for Mr. T. H. Baker, Port Officer, Pámban, while engaged on the boring operations at Pámban. I was not in a position at the time to make any recommendation, but with full particulars of the work now before me I beg to address you on the matter.

Mr. Baker was engaged on the duty for three months, besides two months during which he was occupied in plotting, &c., and the nature of the work was such as to subject him to great exposure to sun and fatigue, having to ride backwards and forwards, at his own expense, a distance of 5 to 6 miles, and he managed to have the whole work done with a saving of Rs. 180 on the original estimate.

3. Taking all the circumstances into consideration, I beg to recommend that he be granted a moiety of the net pay of Rs. 350 of his office, or Rs. 875 for the five months he performed that duty. The charge will be one against the Public Works Department.

No. 196-A.

OFFICE NOTE from the Examiner, Public Works Accounts, dated 16th October 1882, No. 593.

The honorarium of Rs. 875 proposed for Captain Baker will raise his salary above Rs. 5,000 per annum and will require the sanction of the Secretary of State, *vide* paragraph 415 of the Public Works Code, and G.O., No. 2417 W., dated 18th September 1882.

2. The only charges against the Public Works Department in connection with the Pámban Pass is an expenditure of Rs. 620 against the estimate for Rs. 800 sanctioned in G.O., No. 186 W., dated 23rd February 1882, whereas from paragraph 9 of the report printed with G.O., No. 1341 W., dated 28th May 1881, it would appear that expenditure has been incurred outside the Public Works Department in connection with this work.

3. The honorarium, if sanctioned, may, I consider, with the approval of Government, be charged off to the estimate for the Pámban Pass.
