SIR,

Enclosures.

The Clerk attached to the C. Project Division having brought to my notice through the Exec. Engr. that he is compelled to maintain a pair with a pair of Bullocks at the rate of Rs. 15. per month while according to the Civil Travelling Code Rules he is only entitled to 4 annas per day, I have the honor to request that his case may be taken into favorable consideration and that the Government may be solicited to grant him his actual expenses as Travelling allowance under the Ruling of para 31. 7B of Civil Travelling allowance Code.

2. The man's subsistence pay only amounts to about Rs. 6 a month so that

he cannot spare much to meet the extra charges for keeping a Cart with Bullocks.

3. He has as a matter of course to be prepared to travel about the District very frequently and to halt at a distance from Head Qrs. and is consequently compelled to keep up the Equipage referred to.

I have the honor to be
