ORDER—dated 12th June 1883, No. 1641 W., Public Works.

In the papers read above, the Superintending Engineer, the Consulting Architect, and the Superintendent, Public Work Stores have applied for funds on account of (a) Minor Works anticipated, in lump sums, (b) Incomplete Works of 1882-83, (c) New Works, recommended to be taken up in 1883-84, (d) Repairs, (e) Tools and Plant and (f) Temporary Establishment.

2. The Military Minor Works grant, *vide* Budget Item No. 8, amounts to only Rs. 21,987, but the demands of Superintending Engineers are as follows:—

	RS.
For Minor Works anticipated, to be placed at their disposal in lump sums	27,400
For Incomplete Minor Works	4,696
For Incomplete Major Works	41,801
For New Major Works	38,320
For New Minor Works	6,457
Total	1,18,674

The Minor Works grant has been distributed as follows:—

	RS.
For Minor Works anticipated as per Statement A	12,200
For Minor Works as per Statement B.	3,938
For Major Works as per Statement B.	4,279
Reserve with Government	1,570
Total	21,987

3. With reference to G.O., No. 1076 W., dated 11th April 1883, it has only been found practicable to place Rs. 7,000 at the disposal of Officers Commanding Divisions and Districts, which His Excellency the Commander-in-Chief will instruct to be distributed in such proportions, as he may deem necessary.

4. The Superintending Engineer, Third Circle, in his No. 445, dated 12th May 1883, suggests that in lieu of the Minor Works grant, the Military Repair grant be placed at the disposal of Officers Commanding Divisions and Districts. The opinion of His Excellency the Commander-in-Chief will be obtained on this point, through the Military Department.

5. Under Repairs Military the demands of Superintending Engineers amount to Rs. 2,87,150, but as the budget provision is only Rs. 2,75,000, the demands have been reduced to Rs. 2,72,150, *vide* Statement A which accompanies this resolution. This leaves Rs. 2,850 as a reserve with Government.

6. Rs. 3,085 have been placed at the disposal of Superintending Engineers under Original Works, Postal, and Rs. 5,079 allotted for Major and Minor Incomplete and New Works, under the same head of service, *vide* Statement B. The reserve with Government after deducting the allotments made in the Government Orders quoted in the margin, is Rs. 231. The demand under Postal Repairs has been reduced from Rs. 6,025 to Rs. 4,400 which leaves a reserve balance of Rs. 600 with Government.

	RS.
G.O., No. 1358 W., dated 9th May 1883,	435
" " 1359 W., " " "	935
" " 1360 W., " " "	600
" " 1389 W., " " "	1,845
Total	3,815

7. The distribution of the grant under Telegraph is shown in Statement A.

8. Statements C and D show the several demands made by Superintending Engineers under Provincial, and the allotments passed. The demands under Original Works,

exclusive of Registration and Police Works which will be separately dealt with, are as follows:—

	RS.
For Minor Works anticipated, to be placed at their disposal in lump sums	32,177
For Incomplete Minor Works	10,760
For Incomplete Major Works	2,50,744
For New Major Works	15,377
For New Minor Works	54,798
Total	3,63,856

	RS.
Reserve with Government	85,173
G.O., No. 1013 W., dated 3rd April 1883	6,320
" " 1008 W., dated 2nd " "	815
" " 1588 W., dated 6th June " "	2,000
" " 1435 W., dated 17th May " "	6,000
Total	15,135
Difference	70,038
Add Budget Item No. 12 resumed	2,330
Add Budget Item No. 21 resumed, <i>vide</i> G.O., No. 1611 W., dated 8th June 1883	1,355
Total	73,723

But since the reserve with Government, after deducting the appropriations already made as per margin, is only Rs. 74,368, the demands have been considerably reduced, as shown below:—

	RS.
For Minor Works anticipated as per Statement C.	19,200
For Minor Works as per Statement D.	14,037
For Major Works as per Statement D.	40,418
Reserve with Government	68
Total	73,723

9. Appropriations have been asked for 23 Incomplete and 33 New Registration Buildings, aggregating Rs. 1,02,620, but as the reserve with Government is only Rs. 24,070, it has not been found possible to allot funds for any new works.

	RS.
Reserve Budget Item No. 61	22,077
Resumed do. No. 53	1,993
Total	24,070

10. A list of Police Works costing above Rs. 1,000 and under Rs. 2,500 each, and for which funds have been applied for by Superintending Engineers, has been sent to the Inspector-General of Police for his remarks, prior to allotment of funds.

11. The provision in budget for converting the terraced roof of the Tahsildar's Cutcherry at Russellkonda into a tiled one, Item No. 12, viz., Rs. 2,330, not being required by the Superintending Engineer, has been resumed and added to the reserve.

12. Under registration buildings also, the provision for the District Registration Office at Bellary, Item No. 53, has been reduced to Rs. 2,293, as Rs. 1,993 was spent on the work in 1882-83. The amount resumed has been added to the reserve with Government under Registration.

13. The demands made under repairs and tools and plant and the allotments passed are shown in Statement C.

14. Statement E shows the appropriations made on account of temporary establishment.

15. To meet the outlay necessary to complete the works now in progress, under Military and Provincial, Superintending Engineers will, as early as practicable, submit proposals for the necessary reappropriation of budget credits. The works in the meanwhile will be pushed on to completion.

15TH AUGUST 1883, No. 2276 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following papers:—

From Colonel T. E. TENNANT, Inspector-General of Jails, to the Chief Engineer and Secretary to Government, Public Works Department, dated Ootacamund, 4th July 1883, No. 170.

I have the honor to submit a statement showing the sanctioned works for which provision of funds is required.

2. In surrendering the Convict Labor Fund, Government promised "to allot on jails, for some years to come, at least the equivalent of the average annual expenditure on jails from Convict Labor Fund and Provincial."

3. The balance to the credit of the Convict Labor Fund on the 31st March 1882 amounted to Rs. 1,60,533-4-5 and the subsequent credits up to March 1883 amount to Rs. 82,532-5-0, making a total of Rs. 2,43,065-9-5. I have not received from the Accountant-General the particulars of the amounts expended, but there are ample funds to provide for all the works entered in the statement under the head "Convict Labor Fund."

4. There is also the sum of Rs. 30,000 provided in this year's budget for the new District Jail at Kurnool, as the construction of this new Jail must be deferred pending the decision of Government on the prospective removal of the Kurnool Court. I request that this amount may be transferred to other jail works requiring allotment, such as the Store-room at the Penitentiary, Warders' quarters at the District Jail at Ootacamund, the Close Cellular Prisons at Vellore and Coimbatore, and the new District Jail and Close Prison at Trichinopoly.

G.O., dated 1st August 1883, No. 1623, Financial.

Read—the following papers:—

Memorandum from the Public Works Department, dated 13th July 1883, No. 224 E.

Letter from the Inspector-General of Jails, dated 20th July 1883, No. 182.

ABSTRACT.—Intimating that a statement showing the sanctioned works for which provision of funds is required was forwarded to the Chief Engineer on the 4th July 1883.

Order—dated 1st August 1883, No. 1623, Financial.

The sum of Rs. 50,000 will be placed at the disposal of the Public Works Department, with request that it may be allotted to sanctioned estimates for jail buildings.

(True Extract.)

(Signed) E. F. WEBSTER,
Acting Chief Secretary.

ORDER—dated 15th August 1883, No. 2276 W., Public Works.

The Government, in the Financial Department, having placed at the disposal of the Public Works Department the sum of Rs. 50,000 to be allotted for sanctioned jail works, that sum has been appropriated as shown in column 9 of the statement of jail works requiring funds which accompanies this resolution.

2. The appropriations already made for the marginally noted works from the

	rs.	Provincial Reserve

TO,

THE

Chief Engineer
P.W. Department.

DOWLAISHWERAM, 9th August 1883

SIR,

I have the honor to report that the work "Proposed water supply and Improvements to the existing drainage of the Central Jail at Rajahmundry" for which funds to the full extent of the estimate viz Rs. 22,164 were given in last year's Provincial Budget Appendix E. under Convict Labor fund was commenced last year & has been gone on with this year (being an incomplete work of 1882-83) under the impression that funds would be allotted as in last year but in the incomplete work statement which accompanied the G.O. No. 1641 W. of 12-6-83 received at the end of June last it is said that no funds are available.

2. The least sum that will be required to cover the work in hand and liabilities will be reported soon; castings have been ordered from Madras and various considerable liabilities incurred.
