2. The regular estimate as submitted by the Board of Revenue is approved, but the Government observe that the Land-cess arrears extend over a period of no less than eleven years, and demand speedy adjustment. The Tolls revenue, consisting of one-third of the Guntúr Municipal Tolls, has evidently been greatly under estimated, the Municipal share (two-thirds) amounting to Rs. 12,180 according to the regular estimate of that Municipality. The necessary correction has been made in the abstract at the head of these Proceedings. There is an increase of Rs. 1,500 over the budget figure under Travelling Allowance to non-official members, due, it is explained, to the raising of the rate of mileage to 8 annas. The President will report through the Board of Revenue on what authority this change has been made.

3. *Budget Estimate for* 1883-84.—In the budget for 1883-84 credit will be taken for a sum of Rs. 1,060, representing Provincial grants on account of Bápatla and Vinukonda Local Fund Schools, with reference to Board's Proceedings, 7th May 1883, No. 1274. The President will report through the Board of Revenue the amount of revenue anticipated from school fees in these schools. The Land-cess estimate represents 90 per cent. of the total demand, and is accepted. As regards tolls, however, the estimate will be raised by Rs. 1,750, with reference to the Guntúr Municipal

Budget. The source from which the sum of Rs. 1,000 shown under "7, Miscellaneous, (*i*) Miscellaneous," is anticipated, should have been stated.

4. Under Grant I, a provision of Rs. 48,000 is made on account of six new roads, five of which are sanctioned works. A revised estimate for the sixth road is promised and should by this time have been submitted. The allotment for repairs to communications shows a considerable advance, and is approved. Calculated at 10 per cent. on the bare receipts, the Road Fund Reserve should be Rs. 9,470 and not Rs. 9,480. This alteration, together with the increase in the estimates under Tolls, will raise the Road Fund balance to Rs. 5,040. Under Grant II, the provision for Local Fund Schools will be raised to Rs. 10,250 with reference to Board's Proceedings, 7th May 1883, No. 1274. The proposed increase in the salaries of the Inspecting Schoolmasters of the Palnád and Satanapalle Taluks is sanctioned, as is also the proposal to raise the Bápatla and Vinukonda Schools to the standard of Second-grade Middle Schools, and to entertain the revised staff of teachers mentioned in paragraph 3 of the Vice-President's letter printed in the Proceedings above quoted. The greatly-reduced allotment for sanitation is to be regretted, but will stand pending further consideration on the part of the Circle Board. The provision for travelling allowance to non-official members will also remain unaltered pending the report called for in paragraph 2. With regard to the remaining items of the budget, the Government have nothing to add to the remarks already passed by the Board of Revenue.

5. With these remarks the Right Honorable the Governor in Council passes the budget estimates of the Guntúr Local Fund Circle for 1883-84.

RESOLUTION—dated 8th August 1883, No. 2295.

The Local Fund Budget of the Guntúr Circle for 1883-84 is herewith circulated to all officers concerned.

2. *Paragraph* 2 *of the Government Order.*—The Board have repeatedly called the attention of the Collector to the long standing arrears in the circle. He is again requested to take immediate steps for removing them from the accounts. In regard to the travelling allowance to non-official members, the Local Fund Board seem to have raised the rate on their own motion, apparently to make it correspond with that paid in the adjoining Masulipatam Circle. They have been requested to re-consider the matter in paragraph 9 of the Board's Proceedings, dated 26th January 1883, No. 219.

3. *Paragraph* 4 *of the Government Order.*—The revised estimate for the Guntúr and Chebrole Road has not yet been received in this office, and should be expedited, as also the information called for in connection with this road in paragraph 6 of the first of the Board's Proceedings recorded in the above Government Order.

2. The regular estimate as submitted by the Board of Revenue is approved, but the Government observe that the Land-cess arrears extend over a period of no less than eleven years, and demand speedy adjustment. The Tolls revenue, consisting of one-third of the Guntúr Municipal Tolls, has evidently been greatly under estimated, the Municipal share (two-thirds) amounting to Rs. 12,180 according to the regular estimate of that Municipality. The necessary correction has been made in the abstract at the head of these Proceedings. There is an increase of Rs. 1,500 over the budget figure under Travelling Allowance to non-official members, due, it is explained, to the raising of the rate of mileage to 8 annas. The President will report through the Board of Revenue on what authority this change has been made.

3. *Budget Estimate for* 1883-84.—In the budget for 1883-84 credit will be taken for a sum of Rs. 1,060, representing Provincial grants on account of Bápatla and Vinukonda Local Fund Schools, with reference to Board's Proceedings, 7th May 1883, No. 1274. The President will report through the Board of Revenue the amount of revenue anticipated from school fees in these schools. The Land-cess estimate represents 90 per cent. of the total demand, and is accepted. As regards tolls, however, the estimate will be raised by Rs. 1,750, with reference to the Guntúr Municipal

Budget. The source from which the sum of Rs. 1,000 shown under "7, Miscellaneous, (*i*) Miscellaneous," is anticipated, should have been stated.

4. Under Grant I, a provision of Rs. 48,000 is made on account of six new roads, five of which are sanctioned works. A revised estimate for the sixth road is promised and should by this time have been submitted. The allotment for repairs to communications shows a considerable advance, and is approved. Calculated at 10 per cent. on the bare receipts, the Road Fund Reserve should be Rs. 9,470 and not Rs. 9,480. This alteration, together with the increase in the estimates under Tolls, will raise the Road Fund balance to Rs. 5,040. Under Grant II, the provision for Local Fund Schools will be raised to Rs. 10,250 with reference to Board's Proceedings, 7th May 1883, No. 1274. The proposed increase in the salaries of the Inspecting Schoolmasters of the Palnád and Satanapalle Taluks is sanctioned, as is also the proposal to raise the Bápatla and Vinukonda Schools to the standard of Second-grade Middle Schools, and to entertain the revised staff of teachers mentioned in paragraph 3 of the Vice-President's letter printed in the Proceedings above quoted. The greatly-reduced allotment for sanitation is to be regretted, but will stand pending further consideration on the part of the Circle Board. The provision for travelling allowance to non-official members will also remain unaltered pending the report called for in paragraph 2. With regard to the remaining items of the budget, the Government have nothing to add to the remarks already passed by the Board of Revenue.

5. With these remarks the Right Honorable the Governor in Council passes the budget estimates of the Guntúr Local Fund Circle for 1883-84.

RESOLUTION—dated 8th August 1883, No. 2295.

The Local Fund Budget of the Guntúr Circle for 1883-84 is herewith circulated to all officers concerned.

2. *Paragraph* 2 *of the Government Order.*—The Board have repeatedly called the attention of the Collector to the long standing arrears in the circle. He is again requested to take immediate steps for removing them from the accounts. In regard to the travelling allowance to non-official members, the Local Fund Board seem to have raised the rate on their own motion, apparently to make it correspond with that paid in the adjoining Masulipatam Circle. They have been requested to re-consider the matter in paragraph 9 of the Board's Proceedings, dated 26th January 1883, No. 219.

3. *Paragraph* 4 *of the Government Order.*—The revised estimate for the Guntúr and Chebrole Road has not yet been received in this office, and should be expedited, as also the information called for in connection with this road in paragraph 6 of the first of the Board's Proceedings recorded in the above Government Order.

2. The regular estimate as submitted by the Board of Revenue is approved, but the Government observe that the Land-cess arrears extend over a period of no less than eleven years, and demand speedy adjustment. The Tolls revenue, consisting of one-third of the Guntúr Municipal Tolls, has evidently been greatly under estimated, the Municipal share (two-thirds) amounting to Rs. 12,180 according to the regular estimate of that Municipality. The necessary correction has been made in the abstract at the head of these Proceedings. There is an increase of Rs. 1,500 over the budget figure under Travelling Allowance to non-official members, due, it is explained, to the raising of the rate of mileage to 8 annas. The President will report through the Board of Revenue on what authority this change has been made.

3. *Budget Estimate for* 1883-84.—In the budget for 1883-84 credit will be taken for a sum of Rs. 1,060, representing Provincial grants on account of Bápatla and Vinukonda Local Fund Schools, with reference to Board's Proceedings, 7th May 1883, No. 1274. The President will report through the Board of Revenue the amount of revenue anticipated from school fees in these schools. The Land-cess estimate represents 90 per cent. of the total demand, and is accepted. As regards tolls, however, the estimate will be raised by Rs. 1,750, with reference to the Guntúr Municipal

Budget. The source from which the sum of Rs. 1,000 shown under "7, Miscellaneous, (*i*) Miscellaneous," is anticipated, should have been stated.

4. Under Grant I, a provision of Rs. 48,000 is made on account of six new roads, five of which are sanctioned works. A revised estimate for the sixth road is promised and should by this time have been submitted. The allotment for repairs to communications shows a considerable advance, and is approved. Calculated at 10 per cent. on the bare receipts, the Road Fund Reserve should be Rs. 9,470 and not Rs. 9,480. This alteration, together with the increase in the estimates under Tolls, will raise the Road Fund balance to Rs. 5,040. Under Grant II, the provision for Local Fund Schools will be raised to Rs. 10,250 with reference to Board's Proceedings, 7th May 1883, No. 1274. The proposed increase in the salaries of the Inspecting Schoolmasters of the Palnád and Satanapalle Taluks is sanctioned, as is also the proposal to raise the Bápatla and Vinukonda Schools to the standard of Second-grade Middle Schools, and to entertain the revised staff of teachers mentioned in paragraph 3 of the Vice-President's letter printed in the Proceedings above quoted. The greatly-reduced allotment for sanitation is to be regretted, but will stand pending further consideration on the part of the Circle Board. The provision for travelling allowance to non-official members will also remain unaltered pending the report called for in paragraph 2. With regard to the remaining items of the budget, the Government have nothing to add to the remarks already passed by the Board of Revenue.

5. With these remarks the Right Honorable the Governor in Council passes the budget estimates of the Guntúr Local Fund Circle for 1883-84.

RESOLUTION—dated 8th August 1883, No. 2295.

The Local Fund Budget of the Guntúr Circle for 1883-84 is herewith circulated to all officers concerned.

2. *Paragraph* 2 *of the Government Order.*—The Board have repeatedly called the attention of the Collector to the long standing arrears in the circle. He is again requested to take immediate steps for removing them from the accounts. In regard to the travelling allowance to non-official members, the Local Fund Board seem to have raised the rate on their own motion, apparently to make it correspond with that paid in the adjoining Masulipatam Circle. They have been requested to re-consider the matter in paragraph 9 of the Board's Proceedings, dated 26th January 1883, No. 219.

3. *Paragraph* 4 *of the Government Order.*—The revised estimate for the Guntúr and Chebrole Road has not yet been received in this office, and should be expedited, as also the information called for in connection with this road in paragraph 6 of the first of the Board's Proceedings recorded in the above Government Order.
