To

The Chief Engineer
Public Works Department
Madras

Sir,

In reply to your No. 1452.C
of the 3rd instant, I have the honor
to state that, the surrender of Rs 2,625
from the grant for the Improvement of
Darsi Sub jail was proposed before
the receipt of G.O. No. 1994 W. of the
18th July, in which the difference between
the original and revised Estimate viz.
Rs 1450 was credited to the Reserve.

2. The Darsi Sub jail could
easily be completed in the current
year, if funds are given at once.

3. The amount surrendered from
the grant for this work was fixed
by the necessity for finding funds

The net increase may
be sanctioned from the reserve
as proposed by the Superintending
Engineer.

to complete (1) the Kānali Moonsiff's Court,
and (2) the Improvements to Kellone
Jail, both of which works are nearly
finished, and for which no funds were
given in G.O. No 1641 W. of the 12th June, 1881.

4. Similarly, with regard to Kotah
Cacheri, if the grant of Rs 9,100 is not
reduced, the whole amount can be utilised.

5. As regards item No 9, Collector's
Cacheri, Masulipatam, progress during the
past 4 months has not been as good as
it should have been, and I am pre-
pared to surrender Rs 3,000 from the
grant for this work.

6. The amount to be offered to the
Ex-Nawab of Masulipatam depends on the
view which Government take of my
letter No 1161 of the 27th July. Whether
any reduction of the grant for item No 1,0
is possible, can only be decided when it is
known, whether the Ex-Nawab accepts the
price offered for the Judge's House.

I do not think this grant can be touched
at present.

7. I would, therefore, recommend

that the sum to be reduced from the
allotment for Kotah Cacheri be altered
to Rs 700, and that the grant for work
No 9 be reduced by Rs 3,000.

8. A transfer application in the
proper form has been forwarded, through
the Examiner, in lieu of that dated the
14th July.

I have the honor to be,
Sir,

Your most Obedt Servant.
