This work must in doubt
be sent to Provincial. It
will be merely supplemental to
the estimate for repairs & improvements
you allude to -
It had better however go on to
W. for disposal, as the papers
connected with this matter are
at Ory.

For convenience the purchase
of the premises was originally
debtied to Provincial, but
as soon as the question of the
permanent location of Army
Head Quarters was settled
the matter passed to the other
side in all probability being
to be recorded for Punjab.
Military - Enquiries should
now be made as to the state
of the question connected with
Army Head Quarters & pending
settlement the above work
may provisionally be closed
and charged against
Provincial funds

The S. S. Fourth Circle
submits an estimate
closed as Imperial
military, for con-
structing a latrine
for the military officers
(Command in Chief's Staff)
on Bombay Hill at
Colacacumbe.

The Bombay Hill
property was purchased
for Rs 77000. from
Provincial funds,
& the necessary repairs
& improvements for
which an estimate
is expected, are
also closed under
Provincial.

The G.O. allotting
the money from Prov.
(No 741W & 703.83) is
a confidential paper

I was sent to look on
the 4th Aug but on a
call from there.

The question now
arises whether when
the purchase & repair
of the building is classed
as Provincial, the
construction ~~construction~~
of a petty subsidiary
building should be
classed as Imperial?

For orders.
