GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following letter from J. W. RUNDALL, Esq., Superintending Engineer, Second Circle, to the Chief Engineer, Public Works Department, dated Camp Nellurpalem, 13th July 1883, No. 305 S.G.—(Through the Examiner, Public Works Accounts.):—

I have the honor to forward, for your consideration and orders, two original letters* from the Executive Engineer, Sangam Project Division, claiming certain allowances under the new Civil Travelling Allowance Code.

* Nos. 93 and 116 of 20th June and 4th July 1883 (to be returned).

2. Captain Campbell claims either that permanent conveyance allowance should be granted to himself and his Assistants at Sangam and Buchireddipalem under paragraph 28, or that the Executive Engineer and the Assistants at Sangam and Buchireddipalem should, under the last clause of paragraph 29, be specially exempted from the ruling of the first clause, which restricts the allowance to a halt of 10 days. In the second of the letters, Captain Campbell claims, under paragraph 29, Rs. 90 for the Executive Engineer, and Rs. 60 for each Assistant.

3. My own opinion is that these claims cannot be supported.

4. The claim under paragraph 28 turns on the definition of the word "travelling." If by this is meant riding or driving to inspect works within 5 miles of head-quarters, then the Government of India might be moved to grant the allowance applied for by Captain Campbell on his own behalf and that of his Assistants.

5. The exemption from the ruling of paragraph 29 cannot, I think, be intended to be made applicable to officers who do not necessarily maintain camp equipage, and, so far as I can judge, is not applicable to the case of officers permanently located at any fixed head-quarters. The paragraph quoted does not refer to a permanent *monthly* allowance, whether of Rs. 90 or Rs. 60.

6. I forward the papers to you as an authoritative ruling is desirable. It will probably be more satisfactory than my individual opinion that the claims preferred are inadmissible under the Civil Travelling Allowance Code.

Endorsement from the Examiner, Public Works Accounts, dated 26th July 1883, No. 508 S.E. II.

ORDER—dated 30th August 1883, No. 2425 W., Public Works.

2. Captain Campbell claims either ^{that} per-

Forwarded to the
Chief Engineer, P.W. Dept
for favor of disposal with
the following remarks

Section 29 of the Civil
Travelling Allowance Code
does not apply at all as
section 26 Rule 1 determines
the length of halt at
Head Quarters. The grant
of the allowance under
section 28 will require
the sanction of the Govern-
ment of India. Attention
is however invited to the
orders of Government con-
tained in G.O. No. 1522 W

The case seems to me to
primarily involve the fact that
that I think it will be best
to await decision of S. S. 2. There
if that decision is unfavorable then
will not be much use in moving in
this parallel case; if favorable it
may be well to check all cases of
the same sort for I presume there
are others in which nobody has taken
in any reference.
