Sup^r Engineer's office, 6 circle.
Rodaikanal. 18th August 1883.

From,

The Superintending Engineer
6 circle.

To

The Chief Engineer
P. W. D.

Sir,

Two lascars from one
month (March 83)
Rupces — 12-00-00
One lascar for
11 months Rs. 66-00-00
Rs. 78-00-00

I have the honor to report that
in my statement of demands for incomplete
works submitted to you on the 9th May last
I applied for Rs 78 for employment of temporary
lascars under an extra officer in the
Sinnerelly Division

2. In the statement E which ac-
companied G.O. No 164/4 dated 12th June
1883, providing funds for incomplete &c
works, the above item is shown against
Trichinopoly Division, instead of the Sinnerelly
Div. Moreover the amount shown in
column 6 of the above statement against
the same item No 18 (one lascar for eleven
months) is Rupces 6, this ought to be Rs 66.
I request therefore that the above discre-
pancies may be corrected.

I have &c.
