To

Through the Secretary of
Establishment Branch.

Respected Sir,

I beg most respectfully to bring to your honors benigne consideration the following deplorable state of my case, which I trust will receive your kind consideration.

2. Since the date of my entertainment in the Department, on 1st May 1866, I believe I have worked very hard, and faithfully discharged my duties as an Accountant in the several Divs: namely, Pollachy, Nannaad, Tiripatore and Cossoor Divs: and at last in the Examiners Office from 11th August 1877.

3. The cause of any transfer from the Cossoor Dn: to that of the Encumbered Office is due to a report from the Sup.g: Engineer to the effect that certain Famine Returns were not prepared and submitted to his Office agreeably to his instructions and in due course. These are the only charges brought against me by the Sup.g: Engineer.

4. With reference to the above I need hardly point out to your honour that my letter of explanation dated 18th June 1877 together with the Cossoor Range Officer's letter of support No 564 dated 19th June 1877 will I doubt not clearly prove that I am not to be blamed for the shortcomings pointed out by the Superintending Engineer.

5. I beg respectfully to draw your honour's attention to letter No 430, of 3rd July 1876, from the Cossoor Range Officer, R. J. Lowry Esquire, to the Encumbered, expressing his favorable opinion about me with the several other testimonials (12) in number from several Officers under whom I served as Head account: ant all of which are filed in the Encumbered Office with the letters above quoted. In reference to which will convince your honour that I have conducted my duties as an accountant to the entire satisfaction of my superiors.

6. In conclusion I beg to lay before your honour in mature consideration that I am one of the old accountants that ought to have been exempted from passing the Entrance Examination like others who are benefitting themselves while

accountants but to any dereliction
during the late Reorganization as
there are no sufficient provision
made in the Budget for Accountants
I was unfortunately graded as
Clerk 1st Class 1st grade not taking
into consideration even of my
previous efficient service of about
15 years in the Department as an
Accountant as will be seen from
the facts above mentioned and to
request that your honor will be
so kind enough as to view the
matter in its true light and give
justice by recommending my exemp-
tion from the Entrance Examination
which indulgence I beg to state has
been intended to several of my juniors.
For which act of kindness I shall
ever pray.

just about that time
to the then Examiner
requesting that I might
at once be gazetted as an

The Officers under whom
I served Lt. Col Ratigan Exp

very highly of me in all
Conduct and qualification
reports. My service in
the Department as stated
above is now over 12 years
I have passed the General
Test Examination, Translation
and Precis-writing Tests.
Taking my long approved
service into Your honors
kind Consideration I
once more humbly request

that your honor will be
graciously pleased to
recommend me for exemption
from the Entrance Test

I shall ever feel grateful

Most Honored Sir

As I understand that there is some correspondence going on between Yourself and the Secretary to Government P.W. Depart. regarding the exemption of certain old Accountants I beg most respectfully to submit the following few lines for your honor's kind Consideration and request your honor will be pleased to uphold my Cause and recommend me to Government for exemption.

I was an Accountant of the late Sidhout Division for about 5 years; but

this Division having been amalgamated with the Cuddapah Division during the late reorganization, I was ordered to do duty in the late Madanapalli Division as an Assistant Accountant and this Division also having been abolished I was directed to join the Head Office.

While I was employed in the late Madanapalle Division as an Assistant to the Accountant, the Chief Engineer's Circular Calling for a list of old Accountants deserving exemption was issued. In replying to this Circular, the then Executive Engineer Col. J. S. Hunter R.E did not include my name in the list as he thought I was "young able and energetic and that I could easily pass the examination"

I appeared 4 times for this test but unfortunately without success. My failure I beg to assure your honor was, 1st because the work was so tight that I had very little time for preparing myself for the examination and 2d because I left School about 18 years ago which made it difficult for me to apply myself to study.

The history of my service extending over 12 years is as follows

| | | |
|---|---|---|
| 3d Writer and Accountant of the late Pullumpett Range subsequently called Sidhout | | |

Acting Accatt District
Engineers Office Cuddapah

Accountant Sidhout
Division 2d May 1875 } 50

During the whole period
of my service I was
employed only on Accounts
duties. As Accountant
of the late Sidhout Division
I worked very hard
during the late famine
while all the writers of
that Division were taken
ill with epedimic.

The late Mr. Schoury
the ~~late~~ then Range Officer
has spoken very favourably
of me in his Adminis-
tration Report. The
Examination rules having
come into force subsequent

Most Hd Sir

Now that Government have passed final orders in Mr. Stephens case, I beg to resubmit my application with reference to your remarks on the same when submitted some time ago and in doing so I beg most respectfully to point out that I was an Accountant for about 5 years and not merely an Assistant as stated by the Secretary to Govern^t P.W. Department and that my claims which I set forth in the enclosed petition are in no way inferior to those of others recently exempted by Government.

I beg to remain

omitted from the general
Lists for exemption for the
same reasons that Mess Steffens
and Leissenberg were, viz
want of vacancies to fill
in the Accounts Branch.
These vacancies so far as the
central office was concerned
being filled up by the
merit of seniority.

4. I could give further
claims for leaving the indulgence
I ask, but as Samoan Government
and even the Examiner will
recognise my claims upon Govt
for the good service I have performed,
I consider it unproper to take
up the time of Govt with any further
arguments.

6 of which rendered in this office,
men in positions which in provinces directly
under the Govt. of India would be
performed by Accountants of the 4th
and even 3rd Grade. For several
years I had charge of the Section
auditing the whole Travelling allowance
Bills of the Presidency and at present
I conduct the audit of the Salary,
Travelling Allowance and Contingent
Bills of a whole Circle and all
matter connected therewith.

3. My claims for exemption
are therefore based on the following
grounds.

(1) That I hold a position
similar to those Stephens & Lissenburg.

(2) That if going to a Division
is a special ground for exemption,
I beg to state that I was willing
to do so, but owing to my use-
fulness in Office and the special
work on which I was employed,
my services could never be
spared in the Central Office

3. That my name was
