ORDER—dated 17th August 1883, No. 1605, Public.

The Annual Report on the working of the Government Press in 1882-83 shows the total value of the work done in all its branches at Rs. 2,91,305, or Rs. 34,632 more than in the previous year, and the expenditure at Rs. 2,29,088, or Rs. 8,850 more. The ostensible profit to Government amounted, therefore, to Rs. 62,217, but the accuracy of this result would appear to be open to question. In paragraph 22 of the Audit Report on the accounts for 1880-81, the Auditor observed that "with regard to stores, the value issued to the Press for Government work alone amounted to Rs. 43,717-11-8, but this sum, which should properly have appeared in the statement, does not appear there at all." The value of stores issued during the year under review was probably in excess of the sum named in this extract, but appears to have been omitted, either wholly or in part, in Statement A. The Superintendent will now submit a balance sheet for the year, prepared on the principles adopted in the Audit Report above

quoted. In paragraph 2 of the report now under review the actual expenditure for the year, *i.e.*, the amount actually drawn from the Accountant-General to meet all charges against the Press for the official year, is given as Rs. 1,87,437-14-6. In future the details of this total should be furnished.

5. In the Letter-casting and Stereotyping Department, in addition to other valuable work done, a fount of Pica Tamil was cast from punches and matrices previously cut and struck. The value of the materials made exceeded by Rs. 2,731 that for the previous year, at an additional cost of Rs. 526.

6. The value of the work turned out in the Penitentiary Branch was slightly in excess of that for the previous year and was attended by a corresponding increase of expenditure. There was an average attendance of ninety-six adult and thirty-four juvenile prisoners.

7. A sum of Rs. 3,851 was paid to Messrs. Graves, Cookson and Co. and the Proprietor of the *Empress of India* Press for printing High Court work. This exceeds by Rs. 1,061 the amount paid in the previous year for work executed at private Presses.

8. The table of work done for the various Departments shows a considerable decrease in the number of impressions struck off for the Job Department; the most noticeable increases being in connection with the Revenue Board, Gazette, and Vernacular Departments.
