13TH JANUARY 1883, No. 66, FINANCIAL.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following papers:—

From Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, Fifth Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 14th November 1882, No. 2894.

I have the honor to report that the enclosed plans and estimate of Rs. 2,300 have been made by the Executive Engineer for constructing groynes in the Vellaur river in South Arcot, for the protection of the village of Mutlur.

1 Abstract estimate.	1 Data.
1 Survey.	1 Specification.
1 Plan.	

2. An estimate was made in the year 1874 for somewhat similar work, but in G.O., No. 156, dated 19th January 1875, the work was considered to be not emergent. The Executive Engineer now reports that the encroachment of the river on the village has since considerably increased, and that the protective work is necessary.

3. By G.O., No. 1059, of 22nd April 1870, the cost of works of this nature has to be met from Local Funds. The Local Fund Board of the South Arcot Circle have approved of the present estimate, but are "of opinion that Government should contribute half, at least, of the cost as their dry lands from which they derive revenue will be protected by the groynes proposed to be erected." The cultivation in the village of Mutlur consists of—

						Cawnies.	Assessment.		
							RS.	A.	P.
Dry land	..	..	..	..	..	710	1,334	6	7
Wet land	..	..	..	..	..	119-24	540	10	10
Total						..	1,875	1	5

I beg that I may be informed if the Government are willing to give half of the estimated cost, or if I should hand over the estimate to the Local Fund Board for execution from their own funds and by their own establishment.

No. 2314-C.

Transferred to the Financial Department with remark that, in the opinion of this Department, the Local Fund Board have a fair claim to a grant-in-aid from Provincial Funds to the extent of one-half of the amount of the estimate. Such grant, if sanctioned, should be made in the Financial Department.

13TH JANUARY 1883, No. 66, FINANCIAL.

From A. CRUICKSHANK, Esq., Collector of South Arcot, to the Chief Secretary to Government, dated Cuddalore, 22nd December 1882, No. 105.

In reply to the endorsement of the Assistant Secretary to Government, dated 20th instant, No. 1556, on G.O., No. 2314-C, Public Works Department, dated 14th instant, herewith returned, I have the honor to state that I see no objection to a moiety of the cost of the groynes referred to being borne by Government.

ORDER—dated 13th January 1883, No. 66, Financial.

The Right Honorable the Governor in Council resolves to sanction a grant-in-aid of Rs. 1,150 from Provincial to Local Funds for the work proposed.
