

No 2276

Superintending Engineer's office
Bellary Dated 28 August 1879.

From,

The Superintending Engineer
2. Circle

To,

The Chief Engineer
Public Works Department
Madras.

Sir,

I have the honor to represent that in arranging the office establishment of the Circle, I gave the acting appointment of clerk in the Sub-division of the Mathanapally Division, to A. S. Soondra Moodellian, who had been previously acting as writer to the Sub-divisional officer in the former Mathanapalle Range. As Soondra Moodellian was in employ, when the Re-organisation orders were issued, his continued employment is in accordance with those orders; but there is a difficulty now that this writer is still "acting"; and as I am precluded from making a new appointment, it appears to me, that I have not got authority to confirm Soondra Moodellian in his appointment.

2 The Sub-divisional writer was appointed

to officiate as such on the 31st January 1877; he
having no permanent appointment. The place of
Sub-divisional writer became vacant on the 21st July 1878,
and was not afterwards permanently filled up;
owing apparently to an omission by the District
Engineer of Buddapah, to notice that Soondra Mood:
was still only acting.

3 Under these circumstances, I beg to recom-
mend that A. M. Soondra Moodelliar, may be considered
as having been permanently entestained from the 21st July 1878,
and to be now the permanent instead of the acting
Clerk of the Royachoty Sub-division. I may add
that the sub-divisional officer, has spoken very highly
of Soondra Moodelliar, and in applying for his
being made permanent considers it was entirely due
to an oversight that he had not been confirmed, in
the appointment in which he had officiated for 2 years.

I have the honor to be

Sir,

Your most obedient Servant

ORDINARY CIRCUMSTANCES THERE WOULD
PROBABLY HAVE BEEN NO OBJECTION TO

To,

Offg Superintending Engineer
3rd Circle - Bellary.
Most Anned Sir.

With reference to your letter
No 1089 dated 25th July 1883 to the Exe-
cutive Engineer, Cuddaspath Division -
furnishing a copy of G.O. No 2385 dated
18th September 1879 for communication to
your humble petitioner with an
order that he can appeal to the Chief
Engineer for confirmation in his offg
appointment as Sub Divisional Clerk of
Cuddaspath Division - he most respect-
fully begs to place at your limits
first the few following grounds for
your merciful consideration and
Submission to Chief Engineer for
favourable orders.

2. That your humble peti-
tioner entered the S.D. as Deputy

2385
Mis. N. 2385 N 9/18. Sept 1879

Writer in Madrasapalle Division on 4th Feb 1876 and continued in it upto January 1877 - when he was appointed to officiate as Sub Divisional Writer of Rayachoti Sub Division - This appointment he was holding until the 11th January 1880 - on which date he was permitted to take up an appointment in Local Ind. Engin^g office, Madrasapalle Circle, owing to his having been served with a notice by Superintending Engineer vide his letter dated 8th December 1879 to Eng. Ry. Cuddapah (original enclosed) and the Chief Engineer's Notification published in Fort Saint George Gazette page 1456 - part II - No 52 dated 30th December 1879.

3. That on your humble petitioners repeated request - prior to reduction - and on the strong recommendation of Executive Engineer John J. Hunter R.E. the then Superintending Engineer was graciously pleased to recommend the petitioners confirmation to Chief Engineer.

as under the reorganization G.O. of 1879 - that officer was unable to make any new appointments. Thereupon the Government in their G.O. No 2385 of dated 18th September 1879 - ordered that the confirmation of your unfortunate petitioner be deferred for the present."

4. That your humble petitioners not having been confirmed in the officiating appointment - though he was holding it for a period of three years & though the place was permanently vacant - is entirely due to an oversight as may be apparent to your honors from the fact that a clerk will not be kept acting in a place for three years together.

5. That if your humble unhappy petitioner be not confirmed now - he will not only lose 3 years service in S.D. but will also be ineligible for contribution towards pension for the period of 3 1/2 years he served the Local Ind. Board since leaving S.D., on the

ground that he was never employed in pensionable Service and cannot in consequence be allowed to pay contribution on account of pension in respect of his present appointment of Head Accountant, Local Fund Engineer's office - which is non-pensionable.

6. That your honor will therefore see that your honor's unfortunate appellant will lose a Service of $6\frac{1}{2}$ years - if he is not confirmed in his officiating appointment of sub D. D. Officer.

7. That your honor's appellant entered the Service in D. D. at his 22nd year and when he was permitted to leave it - his age was ~~Six~~ and Twenty. Consequently - if he is not confirmed in his D. D. Service - the 25 years leave will not only make him ineligible for Government Service but will also cut short his prospects. Your unfortunate appellant entered the D. D. with a bright prospect

before him - as he was always liked by his immediate Superiors as may be seen from the original certificates and his Service Book herein enclosed.

8. That had it not been for the late reduction - your unfortunate appellant would not have left the Department and would be holding an Head Clerk's place in some of the Divisions as some of his contemporary clerks do hold now.

9. Under these circumstances - your humble petitioner leaves his unfortunate case to your honor's merciful consideration and humbly believes that your honor long acquaintance with the world will induce your mercy to represent to Chief Engineer - the great injustice done in his case - which is entirely due to an oversight

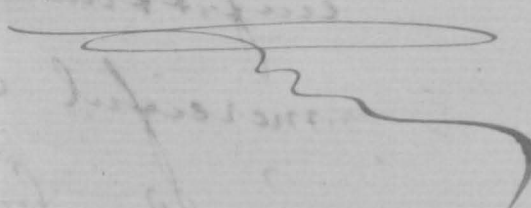

and not to his incompetency & as
any thing else and get him confined
in his place as Sub DL Water;
for which act of kindness, he &
his large family with ever yours
pray for your kind long life
and prosperity. your kind humble

I have the honor to forward for your orders, the petition received from S. M. Sundaram Moodelly late Officiating Clerk in the Madhavapalle Sub Division Cuddapah District.

2. He was allowed to hold the said appointment as Officiating from 21st July 1878 to 11th January 1880 and was on the reduction of the M.D. Departmental Establishment, permitted to take up an appointment under the Local Fund Board.

3. In G.O. No. 2385 W of 18th September/79 it is ordered that the confirmation of

the Clerk in the P.M.D. appointment should
be deferred and apparently nothing further
was done in the matter.

4. The applicant should, in my opinion,
have put in his claims at a much earlier
date than this, but possibly the Govern-
ment may grant the indulgence.
