To The Superintending Engineer
4th Circle

Sir

As temporary Clerk Mr. Brides time of employment in this office expires on the 26th instant as per G.O. No 2349 W, dated 4th September 1882, and as no further order has been received about him as yet, I have the honor to request your instructions as to what is to be done with him.

2. Out of the allotment sanctioned in the above G.O. for the payment of his salary there is a saving of Rs 30. I shall therefore be obliged if he can be permitted to remain in this office for such longer period as the saving will

pay for.

I have &c

P.S.

I have just received intimation of the despatch of fifteen cases of old records belonging to this Division, from Calicut, these alone would require an Establishment to sort them and separate any that might be useful.

Sir

With reference to your No 790/N.I dated 28th ultimo I have the honor to report that when I applied for permission to retain Mr Brides services for such longer period as the carrying from the allotment granted vide G.O. No 2349 dated 12th September 1882 may pay for, I had proposed to employ him to make out the Divisional Register of Buildings plans, surveys &c but now that, as intimated in the P.S. to my letter No 233 of 28th November 1332, there are 15 cases of old records of the late West Coast Division to be sorted it is not possible that this work can be done without extra assistance and as Mr Bride is now here it would

would be more convenient to em=
=ploy him on it than to get another
man. I therefore request that
sanction may be obtained for
employing Mr. Bride in this office
for two months from the 27th Novem=

Sir

In reply to your memo No 2313C
of 14th instant I have the honor to
report that I cannot conveniently
arrange to provide permanently
for Mr Bride in making appoint-
-ments under the sanction accor-
-ded in G.O. No 3211W of 6th instant -
as I should wish to strengthen the
office in the vacancy to be filled up
with a man of at least some
years experience, whereas Mr Bride
is quite new to the work of the Depart
-ment.

2. The Examiner of P.W. accounts

moreover has passed Mr Bride's pay hitherto under the sanction given in G. O. No 3152 of 30th ultimo, and his further employment on a Salary of Rs 20 or upwards is dependent on his passing the hand-writing test.

3. Meantime, the Executive Engineer Nilgiris requires Mr Bride's services for a further period of 2 months from 27th ultimo to get his records into order, and to this I trust you will be able to give a separate sanction.

4 I have made no fresh appointments yet under the G. O. above referred to, not knowing from what date it is intended to take effect.

This portion has been separately dictated by VBP
