With reference to the enclosed papers, please report in communication with the Accountant General, the source from which funds have hitherto been provided for the payment of municipal taxes on military buildings in this Presidency, and what provision if any, has been made for this service in the current year's Estimate

Budget estimate.

If the bills from one municipality alone amounts to over Rs 13,000, it will be clearly necessary to ask the Govt of India for a Special Grant.

It is understood that charges of this nature however have hitherto been paid by the Imperial Dept.
