Sir

C. A.W.

In the statement of
Revenue & demands
and C/A S-S you give
Revenue at 4 Lakhs
instead of 4 3/4 — why?
Under demands you
do not include any
amount for the Ootacamund
Sudder road (50 000)
and probably a few more
items which must be
provided for —
Please write me why
& send to me at
Govt House —
I might also see plan
and estimate for the
Wellington Church
and any other works

Sir W

The total amount taken to credit is Rs 4,50,000. It was not considered safe to withdraw 4¾ lakhs. as there is an item of Rs 27,173 on account of Indirect Revenue from Irrigation works still under enquiry. The Rs 4,50,000 includes redistributions already made from the Establishment grant which have been credited to the Revenue, and re-appropriated in

Separate Proceedings.
The Gudalur Road got Rs 50,000 out of this - vide G.O. 2016 W dt/ 13th July: 83.
Some other urgent works were similarly provided for. I have left a balance of Rs 49,486 to meet these appropriations, the details of which I cannot well specify without the Budget Registers.
It will thus be seen that no more money can be safely distributed at present.
The Statement sent to Col Shaw - Steward includes all Revenue demands uncompleted works. I have entered nothing for the Accountants

the H Sr. and Colonel

2532/21

Quarters already as the Estimates were written but have not yet been formally sanctioned, and I am doubtful whether the Executive Engineer can take up any more work this year.

The Plans and Estimates for the Wellington Church have been sent to-day with some instructions from Mr. Scott for a few days ago. and have not yet been returned.

C.A.W.

Your note of yesterday closes up one or two points but viz. a point I enable not ~~that~~ the available means in much in excess of what you give

(1) There are already £ 50,000 available even without the Rs 27,173 in dispute & Irrespective of the Jhansi Estimate we have Jhansi Estimates, the Plans have not yet to the accounts

Again under Finance Dept Memo No 1224 of 25th June 83 ~~this~~ one Rs 50,000 lumps which if asked for would no doubt be added to our Reserve

The available Reserve is thus in all Practical purposes 5 Lakhs

I have now transfer the attached statement which the H Ex. and Colonel

items - ~~Statement~~ and it may be finally adopted after making the modifications noted in pencil and after ascertaining by wire from the SE how much he can promise to extend this year and take Rs 6 in excess of the Budget ~~allotment~~ allotment - The Govt wishes to finish as this work as much as possible

Gen must file in ~~the~~ medical details in the Post & Telegraphs Office and the Superintendent of Bombay Castle Property case - as the additional Accounts noted are urgently required

~~Addl~~

Sd W

There will be a sufficient margin

for the allotment to the Bombay Castle Property - 253/77

The Consulting Architect has been wired to as regards the Amer Mahal.

The Post and Telegraph office at Abu is an Imperial work & Provincial funds cannot be diverted to it.

If approved, the Statement as now revised with issue shown. As then matters as to excess funds and additional demands being dealt with separately?
