GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following letter from R. W. NORRIS, Esq., Executive Engineer, North Arcot Division, to the Superintending Engineer, Fourth Circle, dated Vellore, 29th August 1883, No. 270 S E.:—

I have the honor to bring to notice that the covered way leading to the latrine attached to the Native Hospital (Item 7 in the list of Military Buildings at Ranipett published with G.O., No. 2089 W., dated 23rd August 1881, communicated with your endorsement, No. 283 C., dated 8th September 1881), which is occupied by the Ranipett Sub-divisional Office, is in ruins. The roof has bodily fallen in in the centre, and only a few feet on either side remains. I consider it dangerous to allow the covered way to remain in its present state, and request that you will authorise me to dismantle the work and sell the materials at public auction.

2. I may add that it would not be advisable to attempt to repair the covered way, inasmuch as it is not used as such, and was of use only when the present building was a hospital and the latrine a necessity.

No. 368.

Endorsement on the above.

Submitted to the Chief Engineer, Public Works Department, for sanction to dismantle the covered way leading to the latrine of what was formerly a Native Infantry Hospital, but is now used as a Sub-divisional Office.

2. This building was struck off the Military Returns, and may therefore be considered as a Provincial Building, *vide* G.O., No. 2089 W., dated 23rd August 1881.

3. As the roof is in a dangerous condition, the Executive Engineer has been authorised to dismantle the work in anticipation of sanction, and to debit the amount realized by sale of materials to "Provincial Receipts."

COIMBATORE,
4th September 1883.

To,

The Superintending Engineer
4th Circle.

Sir.

I have the honor to bring to notice that the covered way leading to the Latrine attached to the Native Hospital (Item 7 in the List of Military Buildings at Vaniyambadi published with G.O. No. 2089 W dated 23rd August 1881 Communicated with your Endorsement No. 283/E dated 8th September 1881) which is occupied by the Vaniyambadi Sub Divisional office is in ruinous. The roof has bodily fallen in, in the centre, and only a few feet on either side remains. I consider it dangerous to allow the covered way to remain in

in its present state, and request that you will authorize me to dismantle the work and sell the materials at public auction.

2 I may add that it would not be advisable to attempt to repair the covered way inasmuch as it is not used as such, and was of use only when the present building was a Hospital, and the Latrine a necessity.

I have &c
