2. *Regular Estimate for* 1882-83.—In the Regular Estimate interest on Land-cess arrears should be shown under "7, Miscellaneous," and not under Land-cess. Under the latter head, the Board state that they have added Rs. 20,150 to the President's estimate with reference to G.O., 28th October 1882, No. 1600. The President's estimate being Rs. 1,09,064, the result of this addition should be to raise the Land-cess estimate to Rs. 1,29,214; but in paragraph 2 of the Board's Proceedings, the amount is shown as Rs. 1,29,150, and in the Regular Estimate, as corrected by the Board, it appears as Rs. 1,29,100. Both figures are incorrect, the amount ordered by Government to be written back amounting in reality to Rs. 20,515 (Rs. 19,286, half the amount of irrecoverable arrears, and Rs. 1,229, land-cess interest). The estimate will accordingly be raised to Rs. 1,29,580. In other respects the remarks passed by the Board on the Regular Estimate are approved, but the Government desire to receive further information in regard to the "instalment due to Provincial Funds on account of the arrears of salary of the Hospital Assistant, Cumbum," alluded to in the conclusion of paragraph 3 of the Board's Proceedings.

3. *Budget Estimate for* 1883-84.—As regards the Land-cess, the proposal to raise the rate from nine pies to one anna has already been sanctioned in G.O., dated 23rd January 1883, No. 148-A, Miscellaneous. Calculated at the latter rate, the current demand for the year is estimated at Rs. 1,33,340, making with the arrears outstanding, Rs. 7,711, a total demand of Rs. 1,41,051, of which it is expected that Rs. 1,32,000, or 93 per cent., will be realized. The revenue from Tolls appears to have been overestimated. In the budget of the Kurnool Municipality the Municipal share (three-fourths) of the town tolls is estimated at Rs. 6,000, falling short of the regular estimate by Rs. 770, in consideration of losses believed to have been incurred by the contractors. In these circumstances the Local Fund Board can only calculate on receiving Rs. 2,000, and not Rs. 2,300, as their share of the receipts. The increased revenue anticipated from school-fees has been satisfactorily accounted for by the President in his letter printed in Board's Proceedings, 14th April 1883, No. 1061, but the omission to take credit for any results grant from Provincial Funds has not been explained, nor has any notice been taken of the discrepancy pointed out in paragraph 2 of the letter from the Director of Public Instruction printed in Board's Proceedings, 5th May 1883, No. 1267.

4. Under Charges a sum of Rs. 2,450 is provided for a new road, for which an estimate of Rs. 14,420 has been sanctioned, while the computed expenditure up to 31st March 1883 amounted only to Rs. 3,707. As funds appear to be available, the Government are inclined to think that this allotment might be raised to Rs. 5,000. The Board of Revenue will consider the matter. The enhanced provision for road repairs is noted.

5. Under Grant II the provision for inspection will be raised to Rs. 1,910, as recommended in Board's Proceedings, 19th June 1883, No. 1773. The proposal to transfer the Kurnool Normal School to Nandyál has the approval of the Director of Public Instruction, and is sanctioned.

6. As regards the remaining items, the Board's revision is approved.

7. With these remarks the Right Honorable the Governor in Council passes the Budget Estimates of the Kurnool Local Fund Circle for 1883-84.

2. *Regular Estimate for* 1882-83.—In the Regular Estimate interest on Land-cess arrears should be shown under "7, Miscellaneous," and not under Land-cess. Under the latter head, the Board state that they have added Rs. 20,150 to the President's estimate with reference to G.O., 28th October 1882, No. 1600. The President's estimate being Rs. 1,09,064, the result of this addition should be to raise the Land-cess estimate to Rs. 1,29,214; but in paragraph 2 of the Board's Proceedings, the amount is shown as Rs. 1,29,150, and in the Regular Estimate, as corrected by the Board, it appears as Rs. 1,29,100. Both figures are incorrect, the amount ordered by Government to be written back amounting in reality to Rs. 20,515 (Rs. 19,286, half the amount of irrecoverable arrears, and Rs. 1,229, land-cess interest). The estimate will accordingly be raised to Rs. 1,29,580. In other respects the remarks passed by the Board on the Regular Estimate are approved, but the Government desire to receive further information in regard to the "instalment due to Provincial Funds on account of the arrears of salary of the Hospital Assistant, Cumbum," alluded to in the conclusion of paragraph 3 of the Board's Proceedings.

3. *Budget Estimate for* 1883-84.—As regards the Land-cess, the proposal to raise the rate from nine pies to one anna has already been sanctioned in G.O., dated 23rd January 1883, No. 148-A, Miscellaneous. Calculated at the latter rate, the current demand for the year is estimated at Rs. 1,33,340, making with the arrears outstanding, Rs. 7,711, a total demand of Rs. 1,41,051, of which it is expected that Rs. 1,32,000, or 93 per cent., will be realized. The revenue from Tolls appears to have been over-estimated. In the budget of the Kurnool Municipality the Municipal share (three-fourths) of the town tolls is estimated at Rs. 6,000, falling short of the regular estimate by Rs. 770, in consideration of losses believed to have been incurred by the contractors. In these circumstances the Local Fund Board can only calculate on receiving Rs. 2,000, and not Rs. 2,300, as their share of the receipts. The increased revenue anticipated from school-fees has been satisfactorily accounted for by the President in his letter printed in Board's Proceedings, 14th April 1883, No. 1061, but the omission to take credit for any results grant from Provincial Funds has not been explained, nor has any notice been taken of the discrepancy pointed out in paragraph 2 of the letter from the Director of Public Instruction printed in Board's Proceedings, 5th May 1883, No. 1267.

4. Under Charges a sum of Rs. 2,450 is provided for a new road, for which an estimate of Rs. 14,420 has been sanctioned, while the computed expenditure up to 31st March 1883 amounted only to Rs. 3,707. As funds appear to be available, the Government are inclined to think that this allotment might be raised to Rs. 5,000. The Board of Revenue will consider the matter. The enhanced provision for road repairs is noted.

5. Under Grant II the provision for inspection will be raised to Rs. 1,910, as recommended in Board's Proceedings, 19th June 1883, No. 1773. The proposal to transfer the Kurnool Normal School to Nandyál has the approval of the Director of Public Instruction, and is sanctioned.

6. As regards the remaining items, the Board's revision is approved.

7. With these remarks the Right Honorable the Governor in Council passes the Budget Estimates of the Kurnool Local Fund Circle for 1883-84.

RESOLUTION—dated 22nd August 1883, No. 2459.

The Local Fund Budget Estimate of the Kurnool Circle for 1883-84 is herewith circulated to all officers concerned.

2. *Paragraph* 2 *of the Government Order.*—With reference to the concluding sentence of this paragraph, the Board beg to refer Government to G.O., Financial Department, dated 2nd November 1881, No. 2119.

3. *Paragraph* 3 *of the Government Order.*—In regard to the Provincial grant for schools, the President is requested to report what amount is likely to be earned as Result grants by the Combined System schools. The receipts from school fees will be altered to Rs. 2,030, as suggested by the Director of Public Instruction.

4. *Paragraph* 4 *of the Government Order.*—The Board see no objection to raising the allotment for the road from Koilkuntla to Nandyál by Rs. 2,550. The budget will be altered accordingly.

2. *Regular Estimate for* 1882-83.—In the Regular Estimate interest on Land-cess arrears should be shown under "7, Miscellaneous," and not under Land-cess. Under the latter head, the Board state that they have added Rs. 20,150 to the President's estimate with reference to G.O., 28th October 1882, No. 1600. The President's estimate being Rs. 1,09,064, the result of this addition should be to raise the Land-cess estimate to Rs. 1,29,214; but in paragraph 2 of the Board's Proceedings, the amount is shown as Rs. 1,29,150, and in the Regular Estimate, as corrected by the Board, it appears as Rs. 1,29,100. Both figures are incorrect, the amount ordered by Government to be written back amounting in reality to Rs. 20,515 (Rs. 19,286, half the amount of irrecoverable arrears, and Rs. 1,229, land-cess interest). The estimate will accordingly be raised to Rs. 1,29,580. In other respects the remarks passed by the Board on the Regular Estimate are approved, but the Government desire to receive further information in regard to the "instalment due to Provincial Funds on account of the arrears of salary of the Hospital Assistant, Cumbum," alluded to in the conclusion of paragraph 3 of the Board's Proceedings.

3. *Budget Estimate for* 1883-84.—As regards the Land-cess, the proposal to raise the rate from nine pies to one anna has already been sanctioned in G.O., dated 23rd January 1883, No. 148-A, Miscellaneous. Calculated at the latter rate, the current demand for the year is estimated at Rs. 1,33,340, making with the arrears outstanding, Rs. 7,711, a total demand of Rs. 1,41,051, of which it is expected that Rs. 1,32,000, or 93 per cent., will be realized. The revenue from Tolls appears to have been over-estimated. In the budget of the Kurnool Municipality the Municipal share (three-fourths) of the town tolls is estimated at Rs. 6,000, falling short of the regular estimate by Rs. 770, in consideration of losses believed to have been incurred by the contractors. In these circumstances the Local Fund Board can only calculate on receiving Rs. 2,000, and not Rs. 2,300, as their share of the receipts. The increased revenue anticipated from school-fees has been satisfactorily accounted for by the President in his letter printed in Board's Proceedings, 14th April 1883, No. 1061, but the omission to take credit for any results grant from Provincial Funds has not been explained, nor has any notice been taken of the discrepancy pointed out in paragraph 2 of the letter from the Director of Public Instruction printed in Board's Proceedings, 5th May 1883, No. 1267.

4. Under Charges a sum of Rs. 2,450 is provided for a new road, for which an estimate of Rs. 14,420 has been sanctioned, while the computed expenditure up to 31st March 1883 amounted only to Rs. 3,707. As funds appear to be available, the Government are inclined to think that this allotment might be raised to Rs. 5,000. The Board of Revenue will consider the matter. The enhanced provision for road repairs is noted.

5. Under Grant II the provision for inspection will be raised to Rs. 1,910, as recommended in Board's Proceedings, 19th June 1883, No. 1773. The proposal to transfer the Kurnool Normal School to Nandyál has the approval of the Director of Public Instruction, and is sanctioned.

6. As regards the remaining items, the Board's revision is approved.

7. With these remarks the Right Honorable the Governor in Council passes the Budget Estimates of the Kurnool Local Fund Circle for 1883-84.

RESOLUTION—dated 22nd August 1883, No. 2459.

The Local Fund Budget Estimate of the Kurnool Circle for 1883-84 is herewith circulated to all officers concerned.

2. *Paragraph* 2 *of the Government Order.*—With reference to the concluding sentence of this paragraph, the Board beg to refer Government to G.O., Financial Department, dated 2nd November 1881, No. 2119.

3. *Paragraph* 3 *of the Government Order.*—In regard to the Provincial grant for schools, the President is requested to report what amount is likely to be earned as Result grants by the Combined System schools. The receipts from school fees will be altered to Rs. 2,030, as suggested by the Director of Public Instruction.

4. *Paragraph* 4 *of the Government Order.*—The Board see no objection to raising the allotment for the road from Koilkuntla to Nandyál by Rs. 2,550. The budget will be altered accordingly.
