

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following letter from G. H. W. WALKER, Esq., Officiating Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 21st May 1883, No. 741 G.:—

In reply to your letters, Nos. 1134 W. and 1212 W., of 16th and 23rd April 1883, I am directed to communicate sanction to the temporary establishment marginally noted, required for dealing systematically with the tank system for the period of one year, and to state that

	rs.
2 Executive Engineers	650 each.
1 Assistant Engineer	450
1 Sub-Engineer	300

should it become necessary to retain the establishment in question for a longer period, application should be made for renewal of sanction three months before the expiry of the present sanction.

2. As regards the appointment of a Superintending Engineer for this work, I am to remind you that a Superintendent of Works, and not a Superintending Engineer, has already been sanctioned by the Government of India in Public Works Department, No. 459 G., of 19th March 1883, and you were informed in Public Works Department letter, No. 502 G., of 4th April 1883, that the local Government was at liberty to employ one of its Superintending Engineers on this duty if it was considered necessary, filling up his place by a Superintendent of Works; no further orders are therefore required on this point.

3. The rest of the temporary establishment to which sanction is asked can be sanctioned by the Madras Government under Public Works Code, I, 88.

4. As regards appointment of officers to fill these posts, I am to refer you to paragraph 2 of Public Works Department letter, No. 742 G., of 21st May 1883, and to add that the present sanction must not be taken as affecting the question of the strength of the permanent establishment which is being separately considered.

ORDER—dated 16th June 1883, No. 1700 W., Public Works.

Communicated to officers concerned.

2. The Superintending Engineer will at the proper time report on the subject of paragraph 1 of the foregoing letter.

3. The question of the provision of the necessary Engineer Establishment for the project will be dealt with separately.

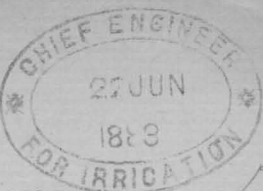

(True Extract.)

(Signed) R. H. SANKEY, Colonel, R.E.,
Secretary to Govt., P.W.D.

To the Chief Engineer for Irrigation.

No. 43 E.W.

Forwarded to the Chief Engineer, Public Works Department, with the recommendation that the Superintending Engineer may be authorised to entertain the establishment for the Tank Division in anticipation of the sanction of the Government of India.

2. Funds to meet the cost of the entire establishment may be appropriated from the provision for Temporary Establishment.

OOTACAMUND,
14th June 1883.

(Signed) A. S. RUSSELL,
for Chief Engineer for Irrigation.

ORDER—dated 27th June 1883, No. 1812 W., Public Works.

Referring to paragraph 3 of Government of India No. 741 G., dated 21st May 1883, printed with G.O., No. 1700 W., of the 16th June 1883, the Superintending Engineer, Tank Maintenance Scheme, is authorised to entertain within the approved scale * the temporary Upper Subordinate and Office Establishments required for the project. Appointments of Upper Subordinates should be reported to the Chief Engineer for confirmation.

2. The funds required for the current official year will be appropriated on the exact amount required being intimated in each case.

3. This sanction has been registered as Provincial No. 29 W. of 1883-84 and classified as Establishment, Temporary. It lapses at the end of March 1884.

The 23rd July 1883

To
Lieut. Col. J. Montgomerie R. E.
Supt. Engineer Tank & Water Scheme
Chennai.

Most Respected Sir,

With reference to your Honor's Memoranda Nos. 185 T, and 206 T of 17 and 21st Inst., the former recd. on 20 and the latter on this day, I beg most respectfully to bring these few lines to your Honor's notice that the post being a temporary one, my service country towards pension will cease, for which reason the Superintendent's post offered in Sangre was not taken up. Moreover I beg to enclose copy of a letter from the Collector of the Chingleput Dist. to the L. & S. Engineer regarding the proposal of opening on me the Tank Inspector's post in the District.

Under these circumstances I most humbly beg to inform your Honor that the vacancy of the temporary Engineer's post may be filled up.

I beg to remain
Most Respected Sir
Your most obedt. & humble servant

To,
The Chief Engineer for Irrigation.

Sir,

With reference to the Proceedings of the
Madras Government, N^o 1812. W., dated the
27th Ultimo, authorizing me to entertain
within the approved scale the temporary
Upper Subordinate establishments required
for the Tank Divisions, I have the honor
to forward to you the replies received from

R. Bhakiam Mudelliar
Local Fund Officer, Chingelput.

Koramasji Howroji. B.C.E.
Assistant Engineer, Madras Municipality.

two qualified indi:
viduals to whom
I had offered
posts of temporary

Overseers, from which you will observe, that
there will be considerable difficulty in getting

duly

duly qualified men to take up these temporary appointments unless some inducement either as to present pay or future prospects of permanent employment can be held out to them.

2. To induce such men as Surveyors who have not passed any of the Examinations qualifying them for Supervisors or even for Overseers to take temporary employment, it has been necessary to offer them double and sometimes treble the salary allowed for Overseers, And to enable an efficient temporary establishment for the Tenth Divisions to be organized it will be necessary either to allow a material increase of salary to the Upper Subordinates while temporarily employed, or take them on to the strength of the regular Public Works Establishment as temporary men, on the understanding that they will be appointed to the permanent

permanent posts as they become vacant,
should they have given satisfaction during
their temporary employment, their whole
service from first employment counting
towards pension.

3. The latter arrangement would be the most acceptable to the men themselves and would probably be the more economical, should the Tank Divisions be maintained for any length of time. If this arrangement can be carried out, I have the honor to request that two fully qualified Overseers be at once transferred from the regular establishment to the Tank Divisions, their places being filled up by temporary men.

I have the honor to be
Sir

Your most obedient Servant
