GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following letter from J. G. HORSFALL, Esq., Collector of Ganjam, to the Secretary to Government, Revenue Department, dated Parláki-medi, 10th August 1883, No. 306:—

With reference to G.O., dated 1st December 1881, No. 1850, directing the acquisition of lands under Act X of 1870, for the completion of the drains of the Military lines, Berhampore Cantonment, I have the honor to state that the Officer Commanding the Regiment reports that the lands are not required, and that the Deputy Surgeon-General who inspected the spot declared that the natural fall of the land would carry off the water, and that considering the distance of the place of outflow from the lines, it seems an unnecessary expense to Government to make the drain through the paddy fields.
