No. 3334 dt 16-4-83. =

I cannot take Furlough till
April 1885.

3 I beg therefore to request information as to whether I may reckon this year's Service as one of the three years I am now serving before Furlough becomes due.

4 The boon of one year's Service having been granted me four years after the end of the Famine, deprived me of its great advantage, viz being able to go on Furlough after seven instead of eight years Service in India.

I have the honor to be
Sir
Your most obedient Servant
R. E. Hamilton. Lt. R.E.
Executive Engineer
Fort St George.

No. 2047

Submitted to the Chief Engineer for orders.

As Lieutenant Hamilton has not yet had the benefit of the concession of the 1 years, to be allowed to count towards furlough it appears that he may now count it in Reduction of the period of Service entitling him to his next furlough.
