No. 1951

SUPERINTENDING ENGINEER'S OFFICE,
5TH CIRCLE, MADRAS,
Chepauk, 24th August 1883.

From

THE SUPERINTENDING ENGINEER,
5TH CIRCLE,

To

THE Chief Engineer
D. P. W.

SIR,

Enclosures.

I have the honor to request that you will be so good as to let me know, whether Temporary Overseers appointed under G. O. No. 1361 dt of 9th May 1883, are to have the Establishment of 1 Clerk and 1 Lascar, as allotted to Overseers on the permanent Establishment.

2. It appears to me to be clear, that a permanent establishment cannot be given to the

temporary Overseers, and yet they cannot act efficiently without the help of the clerk and lascar

3. I have at present Overseers who are employed temporarily under three different conditions.

Bombardier Healy stands transferred from another Circle, in which he passed his time of apprenticeship.

Driver Turner has been an Apprentice in South Arcot, and remains there at present, as temporary Overseer

Govindaraja Mudr. was an Assistant Superintendent in South Arcot, and is still in that District, after being made a temporary Overseer.

I presume Bombardier Healy is likely to be kept on, in the Division to which he has lately been transferred, viz South Arcot, and I would recommend that he be allowed a clerk and a lascar, to be entertained as temporary establishment. I look upon the other two temporary Overseers, as liable to be removed, and I would allot to each of them, a temporary lascar only.

4. As a general rule, if temporary establishment be thus given to temporary Overseers, I would have the clerks & lascars entertained only locally, as well as temporarily; so that their services should be dispensed with on the occasion of the Overseer's transfer to permanent employment, or to another Division while still on temporary duty.

I have the honor to be
Sir
Your Most Obedt Servt
