GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper :—

From Her Majesty's Secretary of State for India, to His Excellency the Most Honorable the Governor-General of India in Council, dated India Office, London, 24th May 1883, No. 79 (Statistics and Commerce).

I forward herewith a copy of a letter from the Librarian of the Bodleian Library requesting that the arrangement for the supply of books from India, of which your Government was informed in the Despatch of 19th February 1880, No. 26, may be suspended. It will, therefore, be unnecessary in future to send to this office more than two copies of the quarterly catalogues.

From E. B. NICHOLSON, Esq., Librarian, Bodleian Library, to Her Majesty's Under Secretary of State for India, dated 1st May 1883.

I beg to acknowledge your letter of yesterday with thanks, and I have directed the transmission of the amount in question to the Bank of England. May I ask that the arrangement under which we have received books should now be suspended until we apply for its resumption? We have now two accomplished correspondents—one at Benares and the other at Bombay—who send us parcels; and, so long as they are willing to do so, we should hardly need to receive them through the agency of the Government as well. Should we, however, desire in the future to inlist once more the kind aid of the India Office, I trust that that aid may be again accorded us.

No. 866.

Endorsement on the above.

Copy forwarded to the Government of Madras for information and guidance, in continuation of endorsement, No. 582, dated 14th April 1880.
