2. *Regular Estimate for 1882-83.*—As compared with the budget, there is a large increase amounting to Rs. 9,166 in the opening balance of the General Fund. This is ascribed to the non-utilization of the provision for a Chattram at Tenkasi and to short expenditure on Sanitary establishment, &c. The circumstance under which the expenditure for these purposes fell short of the estimate should have been explained. In the Demand, Collection, and Balance Statement appended to the regular estimate, the years to which the outstanding arrears relate have not been specified. In other respects, the remarks passed by the Board of Revenue on the regular estimate are approved.

3. *Budget Estimate for 1883-84.*—Excluding the opening balances, the estimated receipts for 1883-84 amount to Rs. 1,07,580, falling short of the regular estimate by Rs. 3,730. The decrease occurs chiefly under "Receipts from Endowments, &c.," and "Miscellaneous," and is explained to be due in the first case to the fall in the price of paddy, and in the second to the suspension of collection of fees in certain markets. The Government note that the President has been called upon to explain the reason of such suspension.

4. Under Grant I, the reduction in the allotments effected by the Board of Revenue is approved, but the Government observe that no corresponding reduction has been made in the allotment for Tools and Plant which will be reduced accordingly

to Rs. 760, of which the share debitable to the Road Fund is Rs. 650. The Road Fund balance will thus be raised to Rs. 430. The provision for results grants, raised by the Board of Revenue from Rs. 5,500 to Rs. 9,450, is approved and sanctioned, the state of the General Fund admitting of this increase. The payment from Provincial Funds of one-fourth of the salary of the Civil Apothecary at Tenkasi is sanctioned. With regard to the provision for Vaccination, the President's attention will be directed to paragraph 2 of the Sanitary Commissioner's letter printed in the Board's Proceedings under review. The President will report the authority under which an officer in Government service has been appointed to be Head Clerk of the Circle Office on payment of a pensionary contribution. The General Fund will close with a balance of Rs. 4,020.

5. With these remarks, the Right Honorable the Governor in Council passes the Budget Estimates of the Shermádevi Local Fund Circle for 1883-84.

2. *Regular Estimate for 1882-83.*—As compared with the budget, there is a large increase amounting to Rs. 9,166 in the opening balance of the General Fund. This is ascribed to the non-utilization of the provision for a Chattram at Tenkasi and to short expenditure on Sanitary establishment, &c. The circumstance under which the expenditure for these purposes fell short of the estimate should have been explained. In the Demand, Collection, and Balance Statement appended to the regular estimate, the years to which the outstanding arrears relate have not been specified. In other respects, the remarks passed by the Board of Revenue on the regular estimate are approved.

3. *Budget Estimate for 1883-84.*—Excluding the opening balances, the estimated receipts for 1883-84 amount to Rs. 1,07,580, falling short of the regular estimate by Rs. 3,730. The decrease occurs chiefly under "Receipts from Endowments, &c.," and "Miscellaneous," and is explained to be due in the first case to the fall in the price of paddy, and in the second to the suspension of collection of fees in certain markets. The Government note that the President has been called upon to explain the reason of such suspension.

4. Under Grant I, the reduction in the allotments effected by the Board of Revenue is approved, but the Government observe that no corresponding reduction has been made in the allotment for Tools and Plant which will be reduced accordingly

to Rs. 760, of which the share debitable to the Road Fund is Rs. 650. The Road Fund balance will thus be raised to Rs. 430. The provision for results grants, raised by the Board of Revenue from Rs. 5,500 to Rs. 9,450, is approved and sanctioned, the state of the General Fund admitting of this increase. The payment from Provincial Funds of one-fourth of the salary of the Civil Apothecary at Tenkasi is sanctioned. With regard to the provision for Vaccination, the President's attention will be directed to paragraph 2 of the Sanitary Commissioner's letter printed in the Board's Proceedings under review. The President will report the authority under which an officer in Government service has been appointed to be Head Clerk of the Circle Office on payment of a pensionary contribution. The General Fund will close with a balance of Rs. 4,020.

5. With these remarks, the Right Honorable the Governor in Council passes the Budget Estimates of the Shermádevi Local Fund Circle for 1883-84.

2. *Regular Estimate for 1882-83.*—As compared with the budget, there is a large increase amounting to Rs. 9,166 in the opening balance of the General Fund. This is ascribed to the non-utilization of the provision for a Chattram at Tenkasi and to short expenditure on Sanitary establishment, &c. The circumstance under which the expenditure for these purposes fell short of the estimate should have been explained. In the Demand, Collection, and Balance Statement appended to the regular estimate, the years to which the outstanding arrears relate have not been specified. In other respects, the remarks passed by the Board of Revenue on the regular estimate are approved.

3. *Budget Estimate for 1883-84.*—Excluding the opening balances, the estimated receipts for 1883-84 amount to Rs. 1,07,580, falling short of the regular estimate by Rs. 3,730. The decrease occurs chiefly under "Receipts from Endowments, &c.," and "Miscellaneous," and is explained to be due in the first case to the fall in the price of paddy, and in the second to the suspension of collection of fees in certain markets. The Government note that the President has been called upon to explain the reason of such suspension.

4. Under Grant I, the reduction in the allotments effected by the Board of Revenue is approved, but the Government observe that no corresponding reduction has been made in the allotment for Tools and Plant which will be reduced accordingly

to Rs. 760, of which the share debitable to the Road Fund is Rs. 650. The Road Fund balance will thus be raised to Rs. 430. The provision for results grants, raised by the Board of Revenue from Rs. 5,500 to Rs. 9,450, is approved and sanctioned, the state of the General Fund admitting of this increase. The payment from Provincial Funds of one-fourth of the salary of the Civil Apothecary at Tenkasi is sanctioned. With regard to the provision for Vaccination, the President's attention will be directed to paragraph 2 of the Sanitary Commissioner's letter printed in the Board's Proceedings under review. The President will report the authority under which an officer in Government service has been appointed to be Head Clerk of the Circle Office on payment of a pensionary contribution. The General Fund will close with a balance of Rs. 4,020.

5. With these remarks, the Right Honorable the Governor in Council passes the Budget Estimates of the Shermádevi Local Fund Circle for 1883-84.
