Public Works Department.

Simla, 10th September 1883.

Sir,

I am directed to acknowledge receipt of your letter No. 2303 W dated 16th ultimo, forwarding an application from the Examiner Public Works Accounts Madras for sanction to the entertainment of two temporary accountants for work in connection with the Tank maintenance Scheme.

2. In reply I am to state that as the new Tank Division will probably be maintained for a considerable time, it is considered by the Government of India that the Account Establishment required for it may be employed permanently with the addition of this Division, the number of accounting Divisions to be taken into calculation for arriving at the revised permanent scale of accountants will be 30 which will admit of a total strength of 41
