READ—the following papers :—

From Colonel T. E. TENNANT, Inspector-General of Jails, to the Secretary to Government, Public Works Department, dated Ootacamund, 11th August 1883, No. 214.

I have the honor to forward, for the sanction of Government, a plan and estimate, amounting to Rs. 870, for providing accommodation for the Hospital Assistant attached to the District Jail at Guntúr.

1 Plan.
1 Detailed Estimate.
1 Abstract do.
1 Specification.

From the original estimate, amounting to Rs. 970, a sum of Rs. 100 has been deducted as the value of convict labor which, according to the rules, is given free of charge.

2. I would suggest that the whole of the wood-work should be tarred or painted. Provision does not appear to have been made in the estimate for this item.

3. Early sanction is requested, in order that the work may be completed before the close of the current official year.

*Note by the Chief Engineer, Public Works Department.*

The plan and estimate are submitted for the sanction of Government.

2. The wood-work should be tarred or painted as suggested by the Inspector-General of Jails.

3. It is noticed that the elevation shows the building raised on a basement, but the section shows no basement.
