EXPLANATION OF NECESSITY

The Executive Engineer, Nagapattanam, has reported that, as the construction of the Dy. Collector's Cutcherry at Mannargudi was put in hand very lately & as the time of Contract extends up to August/84, he proposes to retain Rs. 5000 for expenditure during the year. Hence Rs. 2895 are surrendered. The reduction in the 2^d item requires no explanation, as the sum of Rs. 200 is the excess allotment not required for the work.

2. Allotments for the Dy. Collector's Office at Tanjore & the improvements to the Sub Jail at Mannilam are now applied for, for their commencement as the Collector of Tanjore states they are urgent & that steps should be taken for an allotment of funds & execution of the works in 1883-84.

3. It is therefore requested that the appropriations proposed may be made available at once put in hand.
