READ—the following letter from H. E. STOKES, Esq., Acting Collector of Tanjore, to the Secretary to Government, Public Works Department, dated Tanjore, 2nd December 1882, No. 6922:—

With reference to paragraph 3 of the Order of Government, Ecclesiastical Department, No. 22, dated the 16th February 1882, directing to provide a Christian burial-ground at Tanjore, I have the honor to report that I have selected a piece of land measuring 1 acre and 12 cents in the village of Pudupatnam. It is sufficiently removed from the station, and is yet easy of access adjoining a road. It has about 10 or 12 feet of red earth soil, and is in every way suitable for the purpose. It being desirable, to ensure to Government an indefeasible title to it, to take up the land under the provisions of Act X of 1870, I forward herewith a draft declaration under Section 6 of the Act that it is needed for a public purpose, and request that you will be good enough to order the same to be published in the *Fort St. George Gazette*.

2. I further request that you will be good enough to instruct the Superintending Engineer, Sixth Circle, to prepare the estimate for the works necessary to enable it to be used as a cemetery.

No. 97.

ORDER—dated 13th December 1882, No. 3301 W., Public Works.

Ordered that the notification be published in the *Fort St. George Gazette*.

2. The Collector of Tanjore will take order for the acquisition of the land under the provisions of Act X of 1870.

3. The Superintending Engineer, Sixth Circle, will submit the estimate referred to in paragraph 2 of the Collector's letter.
