NOTE OF REMARKS.

1. The abstract of estimate and plan herewith submitted provide for the addition of a room to the taluk cutting at Kulibalai, towards for a Sub-Registrars office. The estimate amounts to Rs. 1445.
2. A better system of supporting the roof over the verandah would be obtained by giving the posts a cross section of 8" x 8", and to the beams 8" x 7" - omitting the struts altogether. The scantlings of the other timbers fairly accord with those laid down in the Standard Spec.
3. The plan and estimate have been countersigned by the Insp. Genl. of Registration.
