PROCEEDINGS OF THE BOARD OF REVENUE.

READ—again the following Proceedings of the Board of Revenue, dated 7th May 1883, Mis. No. 3724:—

Read—the following letter from C. S. CROLE, Esq., Acting Collector of Madura, to the Secretary to the Board of Revenue, dated Pámban, 13th February 1883, No. 47 :—

I have the honor to state that there is at Pámban a tiled building which was formerly used as a jail for the convicts employed in the dredging operations in Pámban channel. This building was abandoned after the convicts were removed from the island some seven or eight years ago. Some portion of it has already gone to ruin, and the rest, which is in a much neglected state, will not, I fear, stand a strong monsoon unless repairs are executed immediately. But I believe that the building will no longer be required as a jail or for any other Government purposes, nor would it fetch any tangible price if offered for sale. I do not therefore consider it worthwhile for Government to incur any further expenditure on account of its repairs.

2. It however occurs to me that the building is well suited for a choultry, considering its position on the road side and the great want of accommodation felt by the large number of pilgrims and others resorting every day to Rámesvaram; and if the Government be not disinclined to accede to such a proposal, I would suggest that orders be passed for making over the building to the Local Fund Board.

3. It has been suggested to me by Captain Baker, the Port Officer, that in the event of the excavation of the projected ship canal through the Island of Pámban, the buildings and site might become valuable. But it is extremely unlikely that the canal in question will ever be constructed, and besides the jail is three miles distant from the nearest point on its course. So it seems hardly necessary to defer a decision as to the disposal of the buildings in view of that contingency.

Reference on the above, dated 23rd February 1883.

The Collector is requested to report if the building is the one referred to in G.Os. (Financial Department), Nos. 1354, dated 22nd September 1873, and 1269, dated 30th July 1874, and if so, whether that portion not used for the dispensary is not still in the charge of the Public Works Department.

Read—the following letter from C. S. CROLE, Esq., Acting Collector of Madura, to the Secretary to the Board of Revenue, dated 26th April 1883, No. 179 :—

Adverting to General Register No. 1025, dated 23rd February 1883, I have the honor to state that the building in question is the one referred to in Government Orders (Financial Department) quoted therein, and it is reported by the Executive Engineer to be not in charge of the Public Works Department.

Resolution—dated 7th May 1883, Mis. No. 3724.

The Collector will then report in whose charge the building at present is; and whether the Local Fund Board agrees to his proposal to take it over for a choultry, if it should be no longer required for Government purposes.
