Sir,

I have the honour to forward herewith, for the sanction of Government an Abstract Estimate amounting to Rs 4,64 with Specification, for constructing a Road from Commanur Lock Bridge to the new Division Office building at Duggirala, and for Constructing a culvert on the same Road, and to request that it may be sanctioned as supplemental to the Estimate referred to in G.O. No. 2708 W. dated 25th November 1880, if you see no objection to doing so. If not, I request that it may be sanctioned under Provincial, Civil Buildings, Minor Original works.

2. In either case, I request that the

necessary funds may be allotted at an early date, as it is absolutely necessary that the work should be carried out before the rains set in. The Construction of the Division Office has been completed, and it is to be occupied shortly, and without the above road, it will be very difficult in the rainy season to get at it.

I have the honor to be,

Sir,

Your most Obedt Servant.
