MADRAS, 25 September 1883.

Sir,

I have the honour to ask if I may be supplied with any information upon which to base a Budget Estimate for the year 1884-85.—

2 The difference in demand of funds between active resumption of work and the present state of affairs will be so great that a Budget Estimate framed for one alternative would be wholly inapplicable to the other.—

I have the honour to be,
Sir,
Your most Obedient Servt,

J. W. Horrowood. Lt. Inft. Cr.
Superintendent
Mr. Harbour Works.

When is this due? I rather think we should under the circumstances ask Mr Thrupp to submit two Budget Estimates one based on the present state of affairs, the other on the presumption that active operations will be resumed before close of current year.
