GOVERNMENT OF INDIA.

MILITARY DEPARTMENT.

ACCOUNTS.

Simla, the September 1883.

Extract from the Proceedings of the Government of India, Military Department,—(under date Simla, the September 1883).

Abolition of the distinction between Normal and Special Expenditure in the Imperial Military Works Budget Estimates.

RESOLUTION.—It has been noticed that considerable misconception exists in respect to the orders conveyed in Public Works Department Circular No. 83 of 1876 (under which works entered in the Military Works Budget Estimates are required to be distinguished under one of the two heads, normal or special), so that the object of the circular has not been fully attained.

2. The necessity for the separation has, however, been much lessened by the assignment of a fixed annual grant for Military Works; and it is further considered that all necessary information in this direction is now obtainable with sufficient readiness from the revised classification under which the accounts of the Branch are now compiled.

3. The Governor General in Council is therefore pleased to rule that in future the distinction between 'normal' and 'special' in the Military Works Accounts and Budget Estimates shall be discontinued.

The Governments of Madras, Bombay, Bengal, North-Western Provinces and Oudh, and the Punjab, in the Public Works Department.

The Chief Commissioners, Central Provinces, British Burma, and Assam.

The Resident at Hyderabad.

The Agents to the Governor General for Central India and Rajputana.

The Inspector General of Military Works.

ORDER.—Ordered, that a copy of the above Resolution be forwarded to the Local Governments and Administrations noted in the margin for information and guidance.

Ordered also, that a copy be forwarded to the Finance Department and Accountant General, Public Works Department, for information.
