Sir,

I have the honor to bring to your notice that for the considerable work connected with licensing boats at Chetti-pett for the Western Division a writer on a salary of Rs 12 per mensem has been hitherto employed on the Petty Esta-blishment, but as this year there is no provision in the Budget for such esta-blishment the services of this writer have been dispensed with from the 1st April/80.

2. I consider that for at least 6 months in the year the services of such a writer are necessary & I re-quest sanction to paying him from the fees collected, but if you are of opinion that para 20 section I Chapter XVIII of the P.W. Code of the Government of India applies also to Navigation Receipts

it is not possible to sanction the above
proposal, I request you will be good
enough to obtain sanction of Govern-
-ment to this writer being paid from
the sum provided in the Provincial × Rs 25,000

Sir,

With reference to the enclosed original correspondence, and the enclosures being copies of my schedule and the original and full discharge certificate in the Insolvency Court — may I beg that you will be so good as to take my case into your favourable consideration, and grant me the appointment made already but held in abeyance until the decision of the High Court had been arrived at as also that of the heads of Departments.

I observe a notice in the "Madras Mail" of the 3rd Inst: that a large sum has been sanctioned for expenditure yearly on the Buckingham Canal, I presume that Engineers will be required

carry out this work -

I am also informed that the Engineer in charge Mr. Ottman is about to relinquish his post.

This appointment I would be glad to take up.

In the event of my being barred from holding a Government appointment as Engineer in charge in consequence of my insolvency I would be glad to take up any portion of the works as a Contractor and with my 17 years experience in India & Ceylon in extensive Engineering works in the irrigation Department, there will be nothing wanting to secure success -

I have the honor to be
