GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following paper :—

Proceedings of the Government of India, Department of Finance and Commerce (Accounts and Finance—Estimates and Accounts, &c.), dated Simla, 31st August 1883, No. 2977.

Read again—

Paragraph 3 of the Resolution in this Department, No. 2809, dated the 2nd August 1882, prescribing that "the Budget Estimates of Provincial Services should be separately published by the Local Governments not later than the 15th April."

Resolution—

The Governor-General in Council observes that the intention of the rule quoted in the preamble of this Resolution was that the Budget Estimates of Provincial Services as passed by the Government of India, and not as originally prepared by the Local Governments, should be separately published. In some cases, however, the estimates as originally prepared by the Local Governments have been published, because the estimates approved by the Government of India did not reach the Local Governments in time for publication by the 15th April.

2. The Governor-General in Council has directed that measures be taken to ensure the estimates as passed by the Government of India reaching the Local Governments in time. But, if in any case the sanctioned estimates should not reach the Local Governments in time to admit of their being published by the 15th April, His Excellency in Council will not object to the publication being deferred to a later date.

Order—

Ordered that the foregoing Resolution be communicated to the several Local Governments and Administrations, the Comptroller-General, and the several Accountants-General and Comptrollers.

With reference to the circular from this department, No. 558-A., dated the 15th March 1883, and previous correspondence, I am directed to forward, for the information of His Excellency the Governor in Council, the accompanying copy of para. 21 of the Secretary of State's despatch, No. 230, dated the 19th July 1883, stating that the incompleteness of the last pay and pension certificates furnished to warrant and non-commissioned officers leaving the country is the greatest source of inconvenience.

Extract of a military letter from the Right Honorable the Secretary of State for India; dated 19th July 1883, No. 230.

Para. 21. With reference to the orders issued by your Lordship in view to preventing the departure of warrant and non-commissioned officers from India unprovided with last pay and pension certificates, I would observe that the inconvenience and hardship brought to notice has often been caused, not by the absence of a certificate, but by the insufficiency of the particulars furnished. The cases of Conductor Hunt and Sub-Conductor Fernley exemplify this fact, which I desire may be brought specially to the notice of the Pay Department.
