READ—the following letter from Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, Fifth Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 23rd January 1883, No. 3693 :—

With reference to your memorandum, No. 2392 C., dated the 22nd ultimo, I have the honor to report that there is the large sum of Rs. 70,000 unspent under Military for the purchase of the Exchange House (Mess House) in the Fort. No adjustment appears to have been made, although by G.O., No. 2724 W., of the 19th October 1882, the Collector must have paid at least Rs. 61,600. I am writing to the Collector.

2. Under Salt Rs. 6,840 have been withdrawn in this month in G.O., No. 11, dated 5th instant.

3. Under Provincial Civil Buildings surrenders of Rs. 4,000 and Rs. 1,183 have been accepted in G.Os., Nos. 174 W. and 216 W., of the 16th and 18th instant.

4. Under Miscellaneous Public Improvement Rs. 17,000 have been surrendered in my letter, No. 3594, of the 19th instant.

5. Under Provincial Irrigation there is a large sum to be expended on the Buckingham Canal. But a modification of allotments was sanctioned in G.O., No. 102, of the 10th instant, while an additional grant of Rs. 40,000 has also been made. On this work and on other unexpended balances the Executive Engineers have expressed their intention of utilizing the funds at their disposal.

ORDER—dated 25th January 1883, No. 277 W., Public Works.

2. The Collector of Madras will be requested in the Revenue Department to effect a speedy settlement of the purchase of the Exchange House in Fort St. George, the grant for which, viz., Rs. 60,000, being on no account allowed to lapse.

3. The Superintending Engineer, Fifth Circle, will in all future Progress Reports show the existing and not the original grant for the year.
