I should say that for a hospital
 at Ottacumund a corrugated iron
 roofing without boarding below would
 be very objectionable. What
 would boarding add to the cost
 with feet between the iron sheets &
 the boards?
 What would Mangalore tile cost
 if substituted for iron? It
 would make a still better roof.

 The introduction of boarding
 would increase the cost
 by Rs. 25 per sq. or Rs 752
 on the whole.
 Mangalore tiling costs
 Rs. 25 per sq.
