Read—Proceedings of the Board of Revenue, dated 29th November 1882, No. 2935.

Read—the following letter from H. G. TURNER, Esq., Acting Collector of Vizagapatam, to the Secretary to the Board of Revenue, dated Sálúr, 30th October 1882, No. 1107 :—

I have the honor to forward the marginally-noted correspondence regarding the construction of a new building for the Sub-Magistrate's office at Anakápalle. The present building is very inconvenient and ill-ventilated and quite unsuitable for the purpose for which it is now used. I entirely concur with both Messrs. Wolfe-Murray and Winterbotham in considering that the construction of a new building according to the standard plan for the accommodation of the Deputy Tahsildar's office is absolutely necessary. I therefore request you will be so good as to move the Government to sanction the construction of a new building as early as possible. If the Government be pleased to sanction the proposal, I will ask the Executive Engineer to prepare the necessary estimates.

ENCLOSURES Nos. 1 and 2.—Letters from Principal Assistant Collectors.

RESOLUTION—dated 29th November 1882, No. 2935.

Submitted for the favorable consideration and orders of Government.

2. The correspondence shows that there is urgent need for a new Cutcherry for the Sub-Magistrate at Anakápalle, but it was hardly necessary for the Collector to forward with his own, two letters from his Assistants.
