2. *Regular Estimate for 1882-83.*—In the regular estimate the contribution of Rs. 6,000 anticipated from the Pálghat Municipality should have been shown under "Tolls," the amount representing the Local Fund share of the tolls levied in that town. The Government are inclined to doubt the wisdom of the proposal to repair minor roads only under emergent estimates. In paragraph 3 of their Proceedings under review, the Board of Revenue observe that "the Road Fund Reserve will be reduced to Rs. 18,192, the difference having been already allotted." This is not understood, inasmuch as no alterations have been made by the Board in the Public Works estimate of charges, and the report on the regular estimate expressly states that no allotments had been made from the reserve up to the date of its submission. As the Board's Proceedings under review bear date the 30th March, the retention of any reserve would appear

to have been unnecessary, and the amount will accordingly be transferred to the Road Fund Balance. This will enable the Road Fund Reserve in the budget for the current year to be raised to the full amount, and will also provide an adequate Road Fund Balance. The entertainment of a clerk on Rs. 10 and of a peon on Rs. 3 for the management of the Moyan Fund is sanctioned. The charge should have been shown in the regular estimate, as in the budget, under Grant II and not under Grant III.

3. *Budget Estimate for 1883-84.*—In the Budget for 1883-84 the estimated receipts from Provincial grants for schools will be further raised to Rs. 5,860 with reference to Board's Proceedings, dated 21st May 1883, No. 1411. The contribution from the Pálghat Municipality should be shown under "Tolls" for the reasons stated in the preceding paragraph. Over 95 per cent. of the total Land-cess demand is expected to be realized within the year—a very satisfactory estimate. The proposal to transfer to the General Fund the receipts from Pound Funds and Escheats is sanctioned.

4. Under Grant I an allotment of Rs. 1,35,170 is provided for the reconstruction of six bridges, for which estimates are promised, but do not appear to have been furnished as yet. Pending the submission of these estimates, the works cannot be commenced. With reference to paragraph 2, the Road Fund Reserve will be raised to Rs. 27,370. The assignment for the Moyan Fund Female Normal School at Calicut, the establishment of which was sanctioned in G.O., dated 31st March 1883, No. 663, will be raised to Rs. 3,840, with reference to Board's Proceedings, dated 21st May 1883, No. 1411. The proposed increase in the pay of the three Inspecting Schoolmasters is sanctioned, and the increased provision for Local Fund Schools and results grants noted.

5. There is a considerable discrepancy between the amounts allotted in the present estimate and those taken credit for in the Municipal Budgets under Contributions from Local Funds to the Pálghat, Calicut, and Tellicherry Municipal Dispensaries. The same remark applies to contributions from Local Funds in aid of Public Works, the figures being as follows:—

Municipality.	PUBLIC WORKS.		DISPENSARIES.	
	Municipal Budget.	Local Fund Budget.	Municipal Budget.	Local Fund Budget.
	RS.	RS.	RS.	RS.
Pálghat	550	5,000	1,420	1,250
Calicut	..		4,560	3,880
Tellicherry	..		1,300	1,050

These variations should be explained.

6. In Statement IV-A, the establishment charges in connection with unendowed choultries are shown as Rs. 774, whereas in Statement I-B they appear as Rs. 790. The provision for contingencies, including travelling allowance to Local Fund Members and Clerks under Grant IV, is in excess of the regular estimate by Rs. 1,000. Considering that the latter estimate is already in excess of the actual expenditure under this head in 1880-81 and 1881-82 as noted in the margin, and in the absence of any reason assigned for the proposed increase, the allotment will be reduced to the amount of the regular estimate, viz., Rs. 2,000.

7. With these remarks, the Right Honorable the Governor in Council passes the Budget Estimates of the Malabar Local Fund Circle for 1883-84.

2. *Regular Estimate for 1882-83.*—In the regular estimate the contribution of Rs. 6,000 anticipated from the Pálghat Municipality should have been shown under "Tolls," the amount representing the Local Fund share of the tolls levied in that town. The Government are inclined to doubt the wisdom of the proposal to repair minor roads only under emergent estimates. In paragraph 3 of their Proceedings under review, the Board of Revenue observe that "the Road Fund Reserve will be reduced to Rs. 18,192, the difference having been already allotted." This is not understood, inasmuch as no alterations have been made by the Board in the Public Works estimate of charges, and the report on the regular estimate expressly states that no allotments had been made from the reserve up to the date of its submission. As the Board's Proceedings under review bear date the 30th March, the retention of any reserve would appear

to have been unnecessary, and the amount will accordingly be transferred to the Road Fund Balance. This will enable the Road Fund Reserve in the budget for the current year to be raised to the full amount, and will also provide an adequate Road Fund Balance. The entertainment of a clerk on Rs. 10 and of a peon on Rs. 3 for the management of the Moyan Fund is sanctioned. The charge should have been shown in the regular estimate, as in the budget, under Grant II and not under Grant III.

3. *Budget Estimate for 1883-84.*—In the Budget for 1883-84 the estimated receipts from Provincial grants for schools will be further raised to Rs. 5,860 with reference to Board's Proceedings, dated 21st May 1883, No. 1411. The contribution from the Pálghat Municipality should be shown under "Tolls" for the reasons stated in the preceding paragraph. Over 95 per cent. of the total Land-cess demand is expected to be realized within the year—a very satisfactory estimate. The proposal to transfer to the General Fund the receipts from Pound Funds and Escheats is sanctioned.

4. Under Grant I an allotment of Rs. 1,35,170 is provided for the reconstruction of six bridges, for which estimates are promised, but do not appear to have been furnished as yet. Pending the submission of these estimates, the works cannot be commenced. With reference to paragraph 2, the Road Fund Reserve will be raised to Rs. 27,370. The assignment for the Moyan Fund Female Normal School at Calicut, the establishment of which was sanctioned in G.O., dated 31st March 1883, No. 663, will be raised to Rs. 3,840, with reference to Board's Proceedings, dated 21st May 1883, No. 1411. The proposed increase in the pay of the three Inspecting Schoolmasters is sanctioned, and the increased provision for Local Fund Schools and results grants noted.

5. There is a considerable discrepancy between the amounts allotted in the present estimate and those taken credit for in the Municipal Budgets under Contributions from Local Funds to the Pálghat, Calicut, and Tellicherry Municipal Dispensaries. The same remark applies to contributions from Local Funds in aid of Public Works, the figures being as follows:—

Municipality.					PUBLIC WORKS.		DISPENSARIES.	
					Municipal Budget.	Local Fund Budget.	Municipal Budget.	Local Fund Budget.
					RS.	RS.	RS.	RS.
Pálghat	..	..	..	..	550	5,000	1,420	1,250
Calicut	..	..	..	..	..		4,560	3,880
Tellicherry	..	..	..	..	..		1,300	1,050

These variations should be explained.

6. In Statement IV-A, the establishment charges in connection with unendowed choultries are shown as Rs. 774, whereas in Statement I-B they appear as Rs. 790. The provision for contingencies, including travelling allowance to Local Fund Members and Clerks under Grant IV, is in excess of the regular estimate by Rs. 1,000. Considering that the latter estimate is already in excess of the actual expenditure under this head in 1880-81 and 1881-82 as noted in the margin, and in the absence of any reason assigned for the proposed increase, the allotment will be reduced to the amount of the regular estimate, viz., Rs. 2,000.

7. With these remarks, the Right Honorable the Governor in Council passes the Budget Estimates of the Malabar Local Fund Circle for 1883-84.
