DOWLAISHWERAM, 12th Sept. 1883

SIR,

With reference to your remark opposite my reply to Query No. 66 of Report of Inspection of the Executive Engineer's Office Eastern Division Godavari, I have the honor to recommend that a "Cashier" may be appointed for that Dn.

2. His Chief work would be in connection with the Head Works Sub Division, the head Quarters of which are at Dowlaishweram with those of the Division and in which the Cash payments to be made for daily & other labor are very great, so great as to seriously hamper the Sub divisional Officer.

3. It is also proposed that this "Cashier" should keep the Executive Engr's Cash Book - now kept by one of the Clerks in the Office.

4. The "Cashier" should I suppose be clerk of 4th Class 2nd Grade or the salary
