GOVERNMENT OF MADRAS.

Establishment.

READ—the following letter from Lieutenant-Colonel P. MONTGOMERIE, R.E., Superintending Engineer, Tank Maintenance Scheme, to the Chief Engineer, Public Works Department, dated 29th August 1883, No. 309 T. :—

I have the honor to request you will be so good as to have T. Ramdoss Naidu, Clerk, IV Class, 3rd Grade, exempted from passing the prescribed examinations for clerks while he is borne on the strength of the establishment of the Tank Maintenance Scheme.

2. I further have to request you will be so good as to pass the necessary orders permitting M. Kanaiya Pillay to appear at the Code Examination in 1884, in order to give him time to prepare for it, and to enable the Examiner, Public Works Accounts, to admit his salary in the meanwhile.

3. I ask for the temporary exemption of these men from passing the prescribed tests for clerks on the grounds that I experience considerable difficulty in procuring men acquainted with official business, and it is necessary that at least some of the clerks in this new section of the department should have a knowledge of official routine, and both these men are in this respect well qualified for the posts they hold.

ORDER—dated 5th September 1883, No. 2489 W., Public Works.

The question of exempting T. Ramdoss Naidu from the Middle School Examination will be referred to the Educational Department for favorable consideration.

2. The Examiner, Public Works Accounts, is authorised to admit the salary of M. Kanaiya Pillay on the understanding that he passes the Public Works Code Examination in 1884.
