GOVERNMENT OF MADRAS.

# PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers:—

No. 1264 T.J.

Report by the Superintending Engineer, Sixth Circle, on estimate for repairing the Rajah Mirasidar hospital in Tanjore district, estimate Rs. 10,400.

1 Estimate.
1 Specification.
1 Local Fund Board's Proceedings.
1 Level of drain.

The value of the building is not shown on the estimate. The necessity of the work and the date of last repair are not shown anywhere; but from the extract of the Local Fund Board's Proceedings it is understood that the estimate is considered necessary by the hospital committee, and therefore is accepted by this office.

2. Of the estimated amount of Rs. 10,400, Rs. 1,557 is agreed to be borne by a mirasidar; the amount to be borne by the Local Fund will then amount to Rs. 8,843. The Municipality will probably contribute a portion of the cost.

3. The rates are fair, and the work is recommended for sanction.

KODAIKANAL, 24th September 1883.

(Signed) H. R. MEAD, Lieut.-Colonel, R.E., Superintending Engineer, Sixth Circle.

*Note by the Chief Engineer, Public Works Department.*

Submitted for the sanction of Government.

2. The plan and estimate have been prepared in an imperfect shape, and no opinion can therefore be formed as to suitability or necessity of arrangement of verandah roof, which has apparently to be restored.

8th October 1883.

(Signed) J. SHAW-STEWART, Colonel, R.E., Chief Engineer, P.W.D.

ORDER—dated 8th October 1883, No. 2832 W., Public Works.

The estimate, amounting to Rs. 10,400, for repairing the Rajah Mirasidar hospital at Tanjore, is sanctioned.

2. The attention of the Local Fund Board should, however, be called to the Chief Engineer's remarks above recorded.

3. This sanction has been registered as Local No. 35 W. of 1883-84.

From the Supdg Engr 6th Circle

NOTE OF REMARKS.

I quite agree with remarks of S.E. Estimate & plan are very imperfectly prepared & it is quite impossible to judge whether the arrangement of verandah rooms is suitable or not. To me it would seem a necessity to bolt the tops of principal rafters through the walls as therein the posts will be thereby entirely saved. Hereon the estimate may be returned with a Chief Engr note to the effect that it has been submitted in an imperfect shape & that no opinion can be formed as to suitability of arrangement of verandah rooms which has apparently to be retained.

Ch.
1/10.

1. The accompanying plans and estimate provide for the repair of the Raja Mirasidar Hospital at Tanjore & are estimated cost of Rs. 13,400.

2. It would have been well if the P.W. form for detailed estimates had been adopted in this case for though care has evidently been bestowed in its preparation the estimate is by no means clear in its details. A better style for showing the depths of cutting might easily be chosen. The value of the building is not given.

3. Plans and estimate have been countersigned by the President of the L.F. Board.
