SIR,

Enclosures.

I have the honor to forward for your countersignature and transmission to Government a revised estimate of Rs 15,167 for the Police Superintendents Bungalow at Anantapur, in supersession of the estimate of Rs 13688 sanctioned in G.O Dy No 2859 P of 11th October 85.

2. The excess over the original estimate now requiring sanction is Rs 1479 and is chiefly due to the excavation of a well at a cost of

Rs 610 and land compensation Rs
320. No provision was made for
these items in the original estimate.
It was not possible to preestimate
for the Well until the site was
fixed and the land compensa-
tion could not have been foreseen
at the time the previous estimate
was prepared as no site for the
building was then decided upon
3. Other minor deviations are

NOTE OF REMARKS.

1. The present plan and estimate provides for the construction of a Police Superintendent's Bungalow at Ootacamund. The estimated cost is Rs. 13,6[illegible]. The monthly rent of Rs. 70 [illegible] a little over 6 per cent. [illegible] on expenditure which is [illegible] in exact accordance with G.O. No. 2635 W. of 19th Sept[illegible]

2. The Report, Specification & Detailed Estimate have been submitted. The Section on N.S. is incorrectly drawn for the vertical, section should through the pier on upper floor and not through arch as shown.

3. Would it not be better for strength and convenience that the arch on front Room should be semi-circ[illegible] — for strength, as the arch would throw the bottom of to support the pier rather [illegible] its ordinary use for such

…s the semi-circular arch would allow the abutments, …ed 3 feet in length, to be reduced to 1½ ft. each, thereby lessening …ng obstruction arising from …ewn. Subject to approval, it would be an improvement if the abutments and arch were allowed a breadth of 3 ft. as now given to the adjacent main walls- a corresponding change being effected in foundation.

The absence of details precludes examination of scantlings timbers &c.

Plans and abstract of estimate are been countersigned by the Collector of the District.

OFFICE NOTE. 985/12

To W

S. E. 3rd Circle now submits Plan & Estimate of Rs. 13688 for a residence for the Supt of Police at Anantapur.

The original approximate Estimate for this building was Rs. 16,300 & the proposed rent Rs 70.

In G.O. No 2635 W of 16th Sept it was ruled that the rental the Collector's House & Supt's House would probably have to be fixed at 6½ to 7 per cent on the cost whilst the monthly rentals of Rs. 125. from the Collector & Rs 70. from the Supt should not be expected

Rs 70 on this Estimate of Rs. 13 is but little over 6 per cent.

The building cannot well, however, be further reduced without great sacrifice of comfort, and there is this to be said that being built of stone the repairs will probably be a minimum.

I cannot say I admire the design which is certainly faulty in several respects. To criticise it & send it back to S.E. will however delay matters still further.
