READ—the following letter from the Venerable G. WARLOW, M.A., Archdeacon of Madras, to the Chief Secretary to Government, dated Madras, 8th January 1883, No. 614:—

I have the honor to submit, for the sanction of Government, a plan and estimate from the Church Committee of Vellore for the improvement of Vellore Church.

2. The original plan has been slightly modified so as to carry out certain wishes expressed by the Bishop. The proposed cost is only Rs. 725, but as this is in excess of the Archdeacon's powers of sanction, I now submit it for the favorable consideration of Government.

3. A portion of the expenditure may be met from the budget allotment for petty works to churches in North Arcot; the remainder may be defrayed out of next year's allotment, as the work will probably not be completed till the end of this year. It will be executed by the Public Works Department.

The plan and estimate are forwarded for the approval of the Chief Engineer.
