GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General Establishment.

READ—the following letter from J. E. LAFRENAIS, Esq., B.C.E., Sub-Engineer, Coimbatore Sub-division, to the Superintending Engineer, Fourth Circle, through the Executive Engineer, Coimbatore Division, dated Coimbatore, 4th October 1883, No. 62:—

In reply to your endorsement, No. 659, of 2nd October 1883, on the Chief Engineer's memorandum, No. 412, dated 1st October 1883, offering me an appointment as temporary Assistant Engineer on Rs. 350 per mensem, I beg to state that I am willing to accept it provided the nature of the work is similar to that on which I am at present employed, as in case I am required to undertake duties such as railway surveys and levels requiring exposure and endurance of hardships in unhealthy districts I will be unable to discharge my duties satisfactorily as I still suffer from occasional attacks of fever contracted in Wynaad a few years ago during my service in that district.

No. 765.

Forwarded to the Superintending Engineer, Fourth Circle. I am of opinion that Mr. Lafrenais, though well qualified to carry out surveys and other field work, would probably be at an early date incapacitated from sickness. Mr. Lafrenais served some years in the Wynaad, and there contracted Wynaad fever, from which he still suffers at intervals.

2. He would, however, do well on any project which it may be proposed to carry out.

(Signed) J. P. DAVIDSON,
Executive Engineer.

4th October 1883.

No. 430.

Endorsement on the above.

Forwarded for the information of the Chief Engineer with reference to his memorandum, No. 412 E., of 1st instant.

(Signed) J. BEATTY, Colonel, R.E.,
Superintending Engineer, Fourth Circle.

COIMBATORE,
4th October 1883.

ORDER—dated 12th October 1883, No. 2865 W., Public Works.

Mr. J. E. Lafrenais, B.C.E., Sub-Engineer, 2nd Grade, is appointed a temporary Assistant Engineer on Rs. 350 per mensem, under the terms of the Resolution of the Government of India recorded with G.O., No. 2502 W., dated 6th September 1883.

2. Mr. Lafrenais will be posted to the First Circle for employment on the Rushikulya project under Captain Dorward, R.E.

3. He will join at the public expense.

Establishment.

READ—the following paper:—

Proceedings of the Government of India in the Public Works Department (General), dated Simla, 23rd August 1883, No. 1146 G.

Appointment of Upper Subordinates to fill temporary Engineerships.

Resolution—

The Government of India from time to time sanctions the appointment of temporary Engineers and Assistant Engineers for the execution of work which cannot be undertaken by the ordinary staff of the Public Works Department. These posts have hitherto been filled up by the appointment of outsiders; but as there are in the Department Upper Subordinates who are fitted, by the engineering experience they possess, to conduct the duties required, His Excellency the Governor-General in Council considers that men of this class, who are eligible and qualified for temporary Engineerships, should be appointed in preference to outsiders. Their transfer to the establishment of temporary Engineers will not cause a break in the continuity of their service for pension, as under Section 71 of the Civil Pension Code their temporary detached service qualifies.

2. To facilitate the selection of competent Upper Subordinates in this manner for the post of temporary Engineers, Local Governments and Administrations and the Director-General of Railways will furnish the Government of India from time to time with the names of Upper Subordinates recommended for such posts, accompanied by a short confidential report on each. One general list will then be compiled and copies will be furnished to local authorities requiring temporary Engineers, in order that they may select suitable persons for the work to be carried out.

Order—

Ordered that this Resolution be forwarded to the Local Governments, Administrations, and Officers marginally noted, for information and guidance, and that it be published in the *Gazette of India*.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab, in the Public Works Department.
The Chief Commissioners, Central Provinces, British Burma, Assam, and Coorg.
The Resident, Hyderabad.
The Agents to the Governor-General for Central India, Rajputana and Biluchistan.
The Accountant-General, Public Works Department.
The Director-General of Railways.
The Superintendent of Works, Simla Imperial Circle.

(By Order.)

(Signed) G. H. W. WALKER,
Offg. Under Secy. to the Govt. of India.

To the Secretary to the Government of Madras, Public Works Department.

Order—dated 6th September 1883, No. 2502 W., Public Works.

Communicated to Superintending Engineers, who will submit *confidentially* to the Chief Engineer, at the earliest possible date, the names of such Upper Subordinates in their Circles as come within the terms of the Government of India Resolution, accompanied by a short confidential report on each subordinate recommended.

2. Superintending Engineers will also in future report from time to time, and in the same manner, the names of Upper Subordinates recommended for such posts.

(True Extract.)
