PROCEEDINGS OF THE BOARD OF REVENUE.

Read—the following letter from A. J. STUART, Esq., President of the Local Fund Boards, North Arcot District, to the Secretary to the Board of Revenue, dated Chittoor, 7th August 1883, No. 408 :—

I have the honor to request that you will be good enough to obtain the orders of the Board of Revenue as to whether the materials collected on road sides during the last famine are now the property of the Local Fund Boards concerned or not. The Board are aware that Rs. 72,008 was paid last year by the Vellore and Chittoor Boards for adjustment of Famine expenditure, as a final instalment of the total sum, Rs. 1,75,882, paid from the Road Fund of this district towards famine.

2. I think that the Government perhaps intend not to raise any further claim, but to consider the payments hitherto made as final and inclusive of the value of the remainder of the materials collected, which, in this district, were chiefly gravel and have so deteriorated as no longer to be worth what has to be paid for them if they are used.

Resolution—dated 16th August 1883, No. 2413.

Submitted to Government, with the recommendation that the concession granted in G O., dated 28th May 1883, Miscellaneous No. 1045, may be extended to all Circles wherein road materials were collected and stored during the famine.
