Read—the following letter from H G TURNER, Esq, Acting Collector of Vizagapatam, to the Secretary to the Board of Revenue, dated Sálúr, 30th October 1882, No 1107 —

I have the honor to forward the marginally-noted correspondence regarding the construction of a new building for the Sub-Magistrate's office at Anakápalle. The present building is very inconvenient and ill-ventilated and quite unsuitable for the purpose for which it is now used. I entirely concur with both Messrs Wolfe-Murray and Winterbotham in considering that the construction of a new building according to the standard plan for the accommodation of the Deputy Tahsildar's office is absolutely necessary. I therefore request you will be so good as to move the Government to sanction the construction of a new building as early as possible. If the Government be pleased to sanction the proposal, I will ask the Executive Engineer to prepare the necessary estimates.

ENCLOSURES Nos 1 and 2 —Letters from Principal Assistant Collectors

RESOLUTION—dated 29th November 1882, No 2935

Submitted for the favorable consideration and orders of Government

2 The correspondence shows that there is urgent need for a new Cutcherry for the Sub-Magistrate at Anakápalle, but it was hardly necessary for the Collector to forward with his own, two letters from his Assistants //
