PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following papers:—

From Colonel J. BEATTY, R.E., Superintending Engineer, Fourth Circle, to the Chief Engineer, Public Works Department, dated Mallapuram, 29th August 1883, No. 169-C E.W.

In the correspondence printed with G.O., No. 1203 W.,* dated 21st April 1883, it is ordered that non-commissioned officers and soldiers attached to Military Departments are absolutely entitled to free quarters, which should be provided by erection, purchase, or hire.

3 Plans.
1 Tracing.
2 Valuation statements.
* O.G., Military, No. 2514, dated 2nd May 1883.

2. Hitherto the Honorary Surgeon and Farrier Sergeant at the Remount Depot, Matigiri, near Hosur, have resided in buildings of their own, and been allowed to draw rent, as there were no public or private buildings available at the depot.

3. The Examiner of Public Works Accounts having requested that immediate steps be taken to comply with the above order, the property of the Honorary Surgeon has been valued and found to be worth Rs. 2,830, and that of the Farrier Sergeant Rs. 1,510.

4. The Honorary Surgeon has agreed to take Rs. 2,500 for his property, and the Farrier Sergeant Rs. 1,510.

5. I have the honor to send, herewith, a plan of the site showing the position of the buildings which it is proposed to purchase; also the valuation statements and plans of the buildings, and to request sanction to make the purchases when funds are available.

No. 1695 C., Public Works.

Referred to the Military Department for consideration, with advertence to Proceedings of Government in that department, No. 1112, dated 8th March 1882.

2. No funds are available at present for the purchase of the buildings in question.

(By Order.)

CHEPAUK,
11th September. 1883.

(Signed) C. BOWEN, Major, R.E.,
Under Secy. to Govt., P.W.D.

G.O., dated 18th September 1883, No. 5080, Military.

It is not understood that the Honorary Surgeon referred to in the 2nd paragraph of Colonel Beatty's letter is, under the Government Order quoted, entitled to free quarters, the order referring merely to "non-commissioned officers."

2. It is, however, observed that Section 1443, India Pay Code, Volume I, entitles a medical warrant officer to free quarters, provided "he is in receipt of his grade pay only and does not enjoy any special allowances." This does not appear to be the case in regard to Honorary Surgeon Wells.

3. There is no objection in the Military Department to the purchase of the houses in question; but it is for the Public Works Department to consider whether the purchase is required under regulation, and whether funds are available for the purchase.

(By Order.)

OOTACAMUND,
18th September 1883.

(Signed) E. L. HANKIN, Colonel,
Secretary to Government.

To the Public Works Department.

Office note from Examiner of Public Works Accounts, dated 22nd September 1883, No. 641.

Your office note, No. 2022 D., dated 21st instant.

The Honorary Surgeon is absolutely entitled to free quarters, or to compensation, in lieu thereof, at the rate of Rs. 50 per mensem (*vide* code paragraph 1463-D), and no objection was raised by this office to the payments made on this account.

2. With regard to the Farrier Sergeant, the payment of compensation in lieu of quarters was objected to under the authority of paragraph 2 of Government of India letter in the Military Department communicated with G.O., No. 1203 W., dated 21st April 1883.

3. It is for Government to decide whether they consider it advisable to purchase both houses, since it is only in the case of non-commissioned officers that compensation in lieu of quarters is inadmissible.

Office note from Examiner of Public Works Accounts, dated 26th September 1883, No. 659.

ORDER—dated 15th October 1883, No. 2903 W., Public Works.

The valuation statements submitted by the Superintending Engineer, Fourth Circle, are accepted, and the buildings may be purchased when funds become available.

2. Meanwhile there is no objection to compensation in lieu of free quarters being admitted on account of Honorary Surgeon Wells; and with regard to the Farrier Sergeant, the requirements of the rules will be met by his house being formally hired from him for his own occupation.

3. The sanction accorded in paragraph 1 has been registered as Imperial Ordinary No. 33 W. of 1883-84 and classified as Military Original Works.
