ENGINEERS OFFICE

72nd George Street, Edinburgh
Sept. 20th 83.

Dear Sir,

I beg leave to inform you that I intend being in India during this coming Cold season and that I shall be prepared to be consulted on any question as to water supply or sewerage which may be submitted to me.

I may mention that I am well known in connection with the water works of most of the principal towns in Scotland including Edinburgh, Dundee, Paisley, Glasgow, Dumfries &c. &c. and that my firm are permanent engineers for the Edinburgh & District Water Works which have been executed at a cost

of not less than one million sterling.

I have been a member of the Inst. of Civil Engineers for the last 10 years & am fellow of the Royal Society of Edinburgh and of various other similar Societies.

Any communication to me may be addressed care of Messrs. Glavin & Co. Contractors, Peshawar, or Bombay where I expect to be about the end of November.

Yours obed^t Serv^t.

Alexander Leslie
