Read—the following papers :—

Proceedings of the Board of Revenue, dated 1st September 1883, Mis. No. 7439.

Read—the following letter from C. A. GALTON, Esq., Acting Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 17th August 1883, No. 3377 :—

The Special Assistant Magistrate having lately brought to my notice the extremely bad state of the whole of the roof of the subsidiary jail at Manjeri, I requested the Executive Engineer to have the building inspected at an early date and an estimate prepared for the necessary repairs.

2. In compliance with my requisition the Executive Engineer has just forwarded to me the enclosed plan and estimate,\*

\* With report and specification. with the intimation that as the amount of the estimate does not exceed Rs. 1,000, the work should be carried out by the Revenue Department.

3. Although the amount of the estimate is below Rs. 1,000, being only Rs. 808, I am decidedly of opinion that the work should be done by the Public Works Department. The sub-divisional officer's report shows that the building was extremely badly constructed originally (in 1872), and as the repairs are extensive and would appear to require skilled supervision, I think they should be carried out by the professional department. I request the Board will, if they agree with me, be good enough to take the necessary steps for the purpose.

4. It is also desirable that the faulty workmanship at the time of construction, only ten years ago, should be brought to the notice of the authorities, in case they may think it necessary to hold any one responsible for the default.

Resolution—dated 1st September 1883, Mis. No. 7439.

Submitted to Government with the request that orders may be issued for the execution of the work referred to by the Public Works Department.

2. The Collector should have stated whether any funds can be spared from the allotment made to the district for "Civil Buildings in charge of Civil Officers," viz., Rs. 4,310 (Board's Proceedings, dated 15th May 1883, No. 1359). Presuming that no funds can be spared, the Board recommend that the necessary allotment may be made from the funds at the disposal of the Public Works Department.

3. The Board would suggest that the complaint in the last paragraph of the Collector's letter should be disposed of in the Public Works Department.
